A DAY IN BYRD

We Arrive At School

BY BUS

BY TROLLEY

BY CAR

Study begins as we go to our first period class. Our day has now begun.

Activity period finds many students participating in club activities. Many programs of interest are put on by the various clubs. This is one by the Upper Latin Forum.

The day rolls on, and we hurry down the hall to join with others in the enjoyment of the . . .

... assembly. This is the Christmas assembly, one of the most beautiful and inspiring of the year.

Some students remain in study hall but many of us go ...

... to the office to discuss a problem. These Senior students are making applications for graduation with Mr. Koffman.

... to gym where we learn to play various sports such as basketball.

... to have our Gusher pictures made.

... to have our lockers renewed.

During fourth period many of us must stand at attention for R.O.T.C. inspection.

At last that long awaited voice saying, "Lunch!"

Will we ever get our food?

After lunch we find ourselves in Spanish class. Oh! It is hard to stay awake after lunch.

By this time of the day we need paper and pencils, so we go to the school store to buy these supplies.

We take time out at the locker to carry on a conversation.

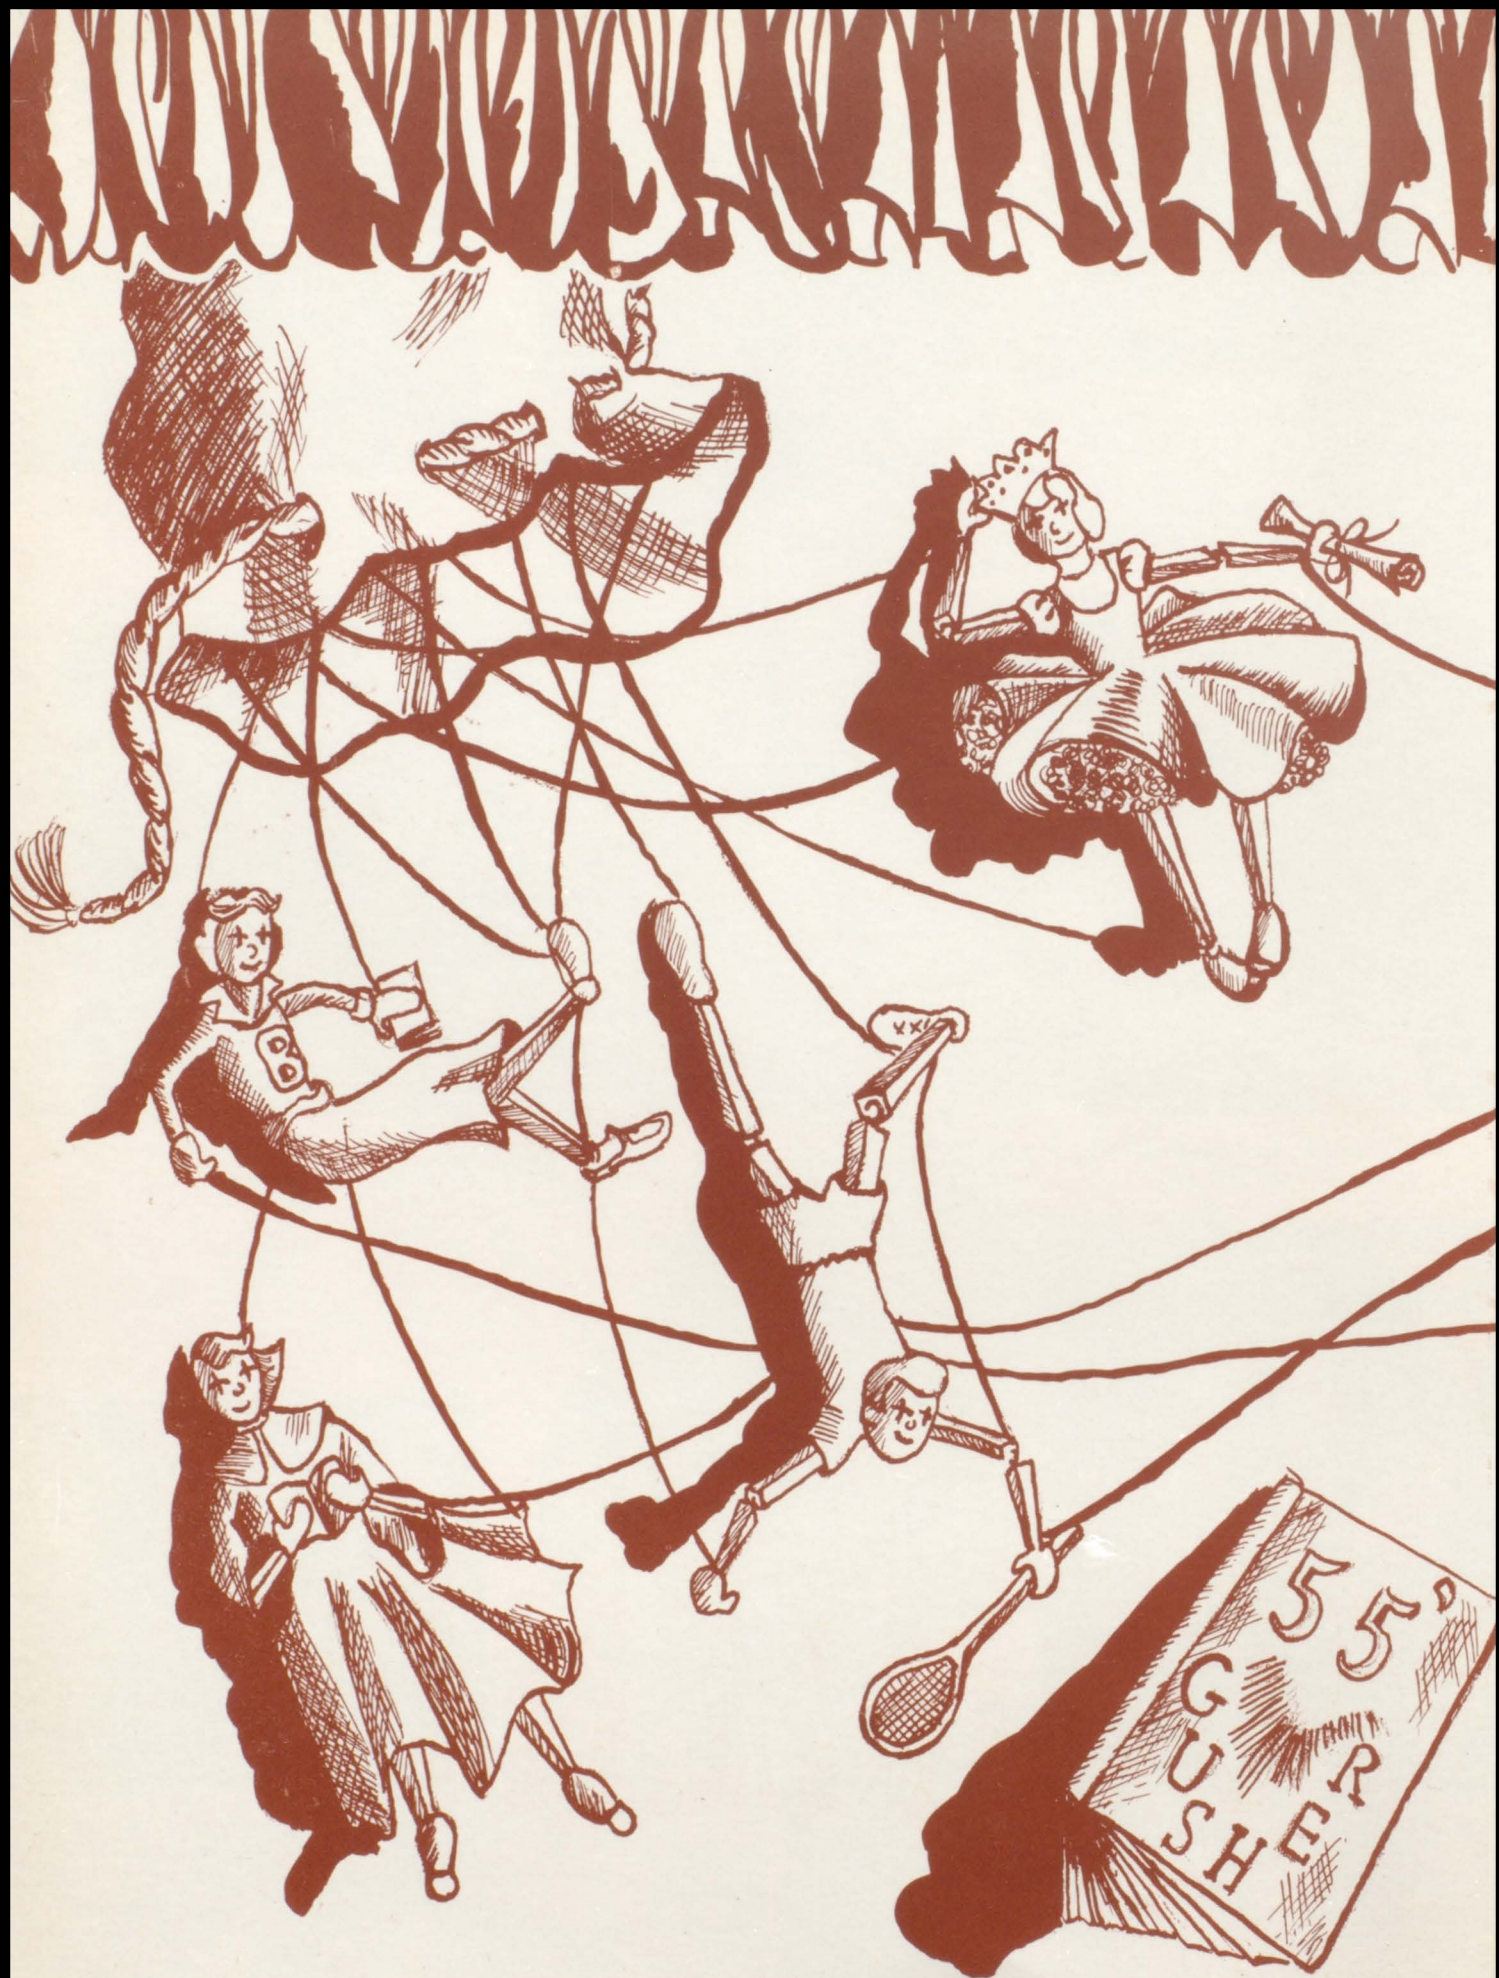

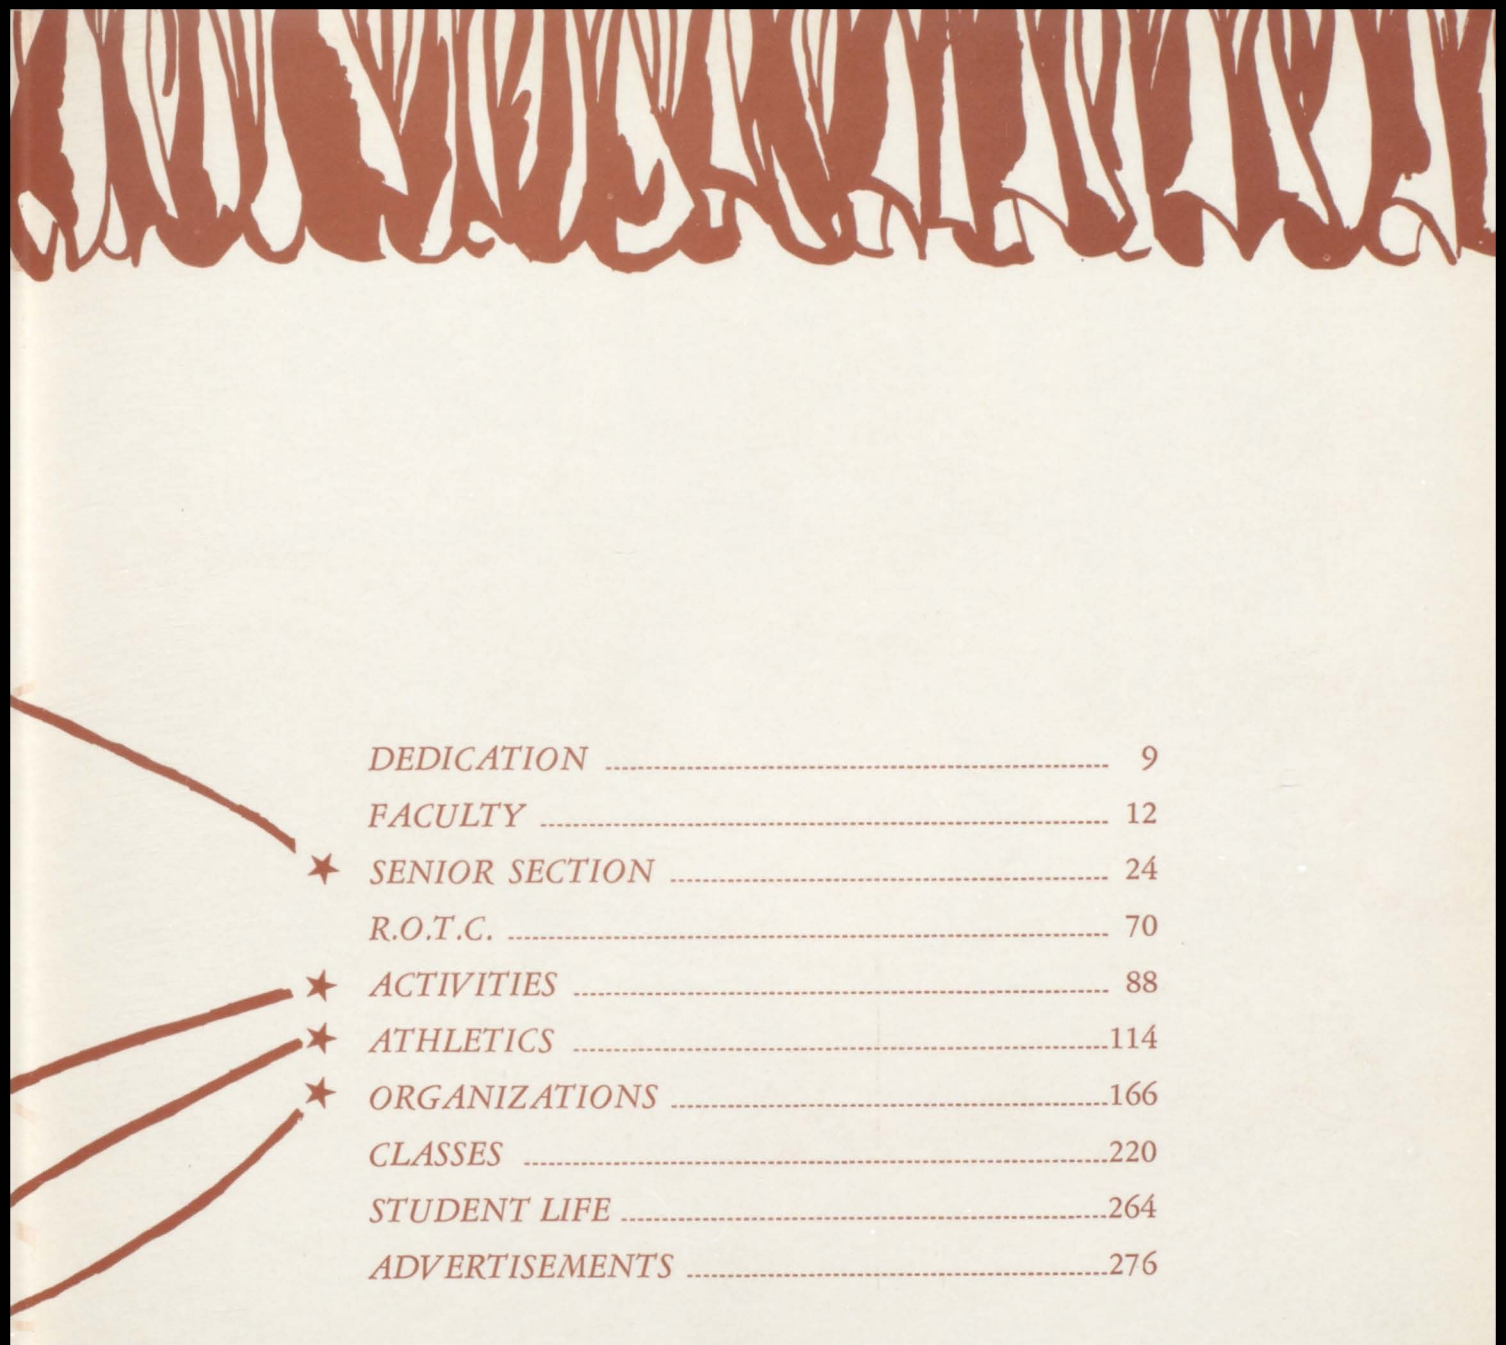

3:00 o'clock! We can go home at last!

There are always those of us who remain after school to work on club projects.

Shadows fall as the day parts from us, and we plod our weary way home leaving the building to darkness and to the night watchman.

B.A., M.A., LL.D.

DEDICATION

*Great men stand like solitary towers
in the city of God.*

HENRY WADSWORTH LONGFELLOW

Throughout the period that Mr. Koffman has been principal of the City of Byrd, he has stood for the highest ideals in life. During his thirty-five years of devoted service, he has spent his time and efforts unselfishly on our behalf. He has done much to give us a firm foundation in the fundamentals of education and to prepare us to take our places as citizens of tomorrow. He has contributed much to Byrd High School. His ideals have been instilled in every student's mind, and his sense of fair play has opened limitless opportunities to many of us.

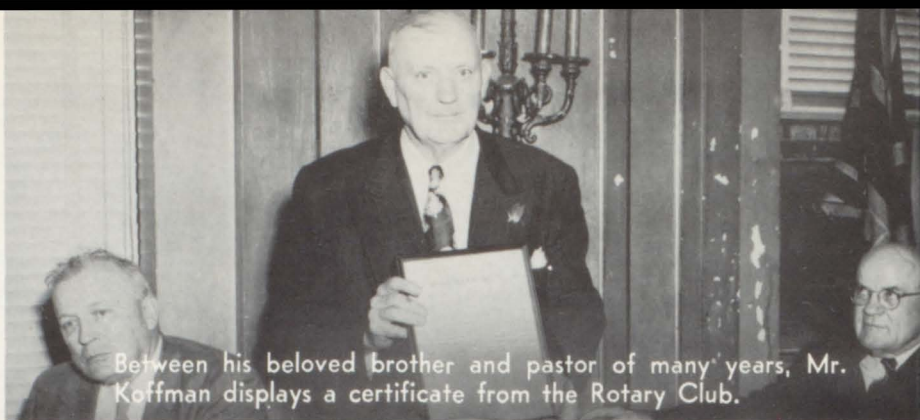

Our principal has earned a nationwide reputation as a school administrator. He is respected for the sound and workable practices he has set up to run a large high school as well as for his high moral character. Practices first started in our school by Mr. Koffman have been widely copied by other schools.

Mr. Koffman has endeared himself to us by his kindly interest in our welfare. The standards he has set up and the principles he has laid down have become an important part of our lives. The ideals of Grover C. Koffman will echo through the halls of Byrd for generations to come. Each year's graduates are proud to be remembered as a part of his family. His children will always follow and remember the fine examples set for them.

This year's GUSHER Staff, as representatives of this class of Mr. Koffman's children, with pride and humility dedicate the 1955 GUSHER to those ideals that will strengthen and guide us all the long years after the City of Byrd is only a golden memory.

Mr. Koffman salutes his team and many ardent supporters.

Between his beloved brother and pastor of many years, Mr. Koffman displays a certificate from the Rotary Club.

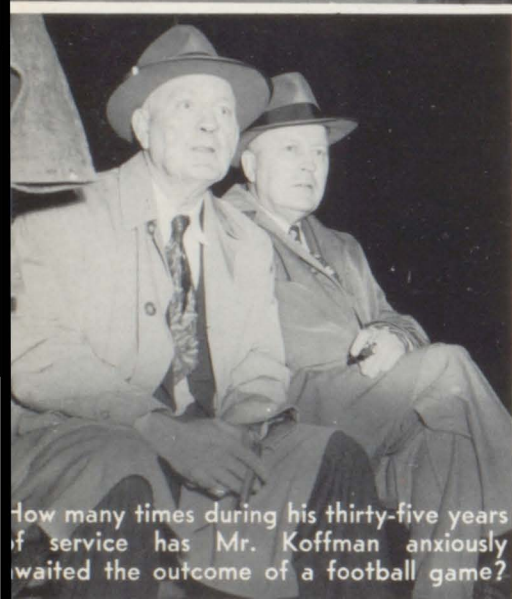

Mr. Koffman, with a replica of his "City of Byrd," is shown while attending a banquet in his honor.

An observer of an R.O.T.C. parade, Mr. Koffman may not have on a uniform, but his command is our wish.

During his career as principal, Mr. Koffman has crowned thirty-five Homecoming Queens.

Glimpses of

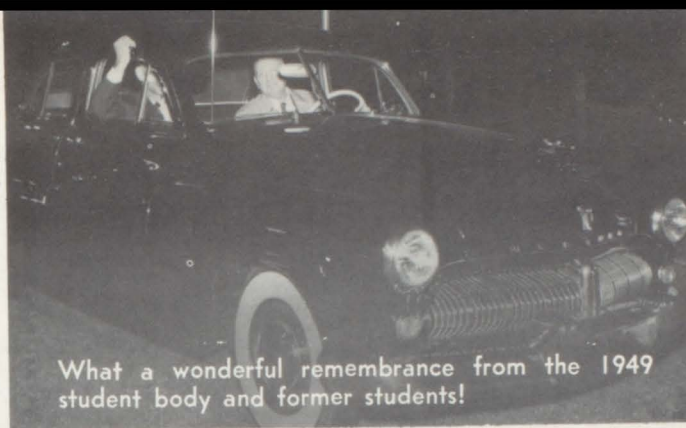

During Senior Week, Mr. Koffman is his happiest for he graduates another wonderful Senior Class. This picture was taken on Senior Class Day.

Always beside him in all that he does is Mr. Koffman's loving wife. This picture was taken at a program held in the Byrd auditorium.

The camera catches Dr. and Mrs. Dodd, in front of their second home — the First Baptist Church.

What a wonderful remembrance from the 1949 student body and former students!

It's been one long, wonderful, and busy life at Byrd.

Of widespread interest to all Shreveport, the "Koffman Day" Parade passes through town.

Mr. Koffman's love, understanding, and devotion has touched thousands of hearts.

A definite example of Mr. Koffman's feeling of protection for his loving children.

GROVER C. KOFFMAN

Two Old Friends . . . After years of filling the role of assistant principal to Mr. Koffman, Mr. E. L. Alberson became principal of Fair Park in 1932.

Among Mr. Koffman's many duties is the presentation of awards at Graduation.

Their common interest in students of Byrd has brought Miss Strother and Mr. Koffman together for many years.

In the picture above Mr. Koffman is pictured in front of the City of Byrd.

Mr. Koffman is shown here as he looked while coaching a baseball team at Shreveport High.

The camera catches Marcia Borroughs, Harriet Cann, Johnny Martin, and Clint McAlister, four Latin students, writing their homework sentences on the board for class examination.

English and Foreign

One of the most important courses for use in our everyday life is the study of the English language. Graduation from Byrd High requires four units of English. Going hand in hand with English is the study of foreign languages. Offered at Byrd are Spanish, Latin, and French. The ability to speak and master our language correctly is taught in a speech course. Many extra-curricular activities are connected with this course.

These subjects are of major importance because they create an appreciation of our past history and an interest in our present history.

Talent Show.

In the section of Fine Arts, we include vocal music, art, drama, and instrumental music. Mr. Benner is the director of the Byrd High School Band which has served its school in many ways throughout the years. Mrs. Chandler directs the A Cappella Choir and several glee clubs. The choir has been very successful this year and has made several personal appearances. Miss Lawrence teaches a very important subject, Art. Byrd is fortunate to have such talent among the students, and this has been a great aid to all types of publications. Mrs. Kite teaches speech and drama. Each year the senior play is a highlight of spring activities. In addition to this, numerous one-act plays are given by members of the speech classes.

Industrial Arts

Our Byrd woodwork department gives pupils a wonderful opportunity to acquire a sound knowledge of construction and carpentry. The excellent tools and equipment provided by the school enables the students to exercise their skill and knowledge to the best of their abilities.

The well organized Byrd mechanical drawing classes give the students of Byrd an opportunity to exercise their talent and ability to the fullest. It is an especially enjoyable class and teaches exactness and precision.

Our Physical Education Department is designed to train students of Byrd in good sportsmanship, and teamwork. The enjoyment of the game is taught along with the fundamentals and techniques, thus providing an excellent means of using leisure hours wisely. The program not only develops physical fitness but also emphasizes health habits.

Tennis is one of the main sports taught in our Gym classes.

Basketball leads the field in boys' sports at Byrd.

Speedball is also taught in the Freshman girls' classes.

TRADE SCHOOL

The directors of the Shreveport Trade School who teach Byrd students are J. H. Zimick, J. L. Sermons, V. E. Smith, C. H. Wallace, and B. L. Manning.

In order to enrich the curriculum of our school, Byrd has an agreement with the Shreveport Industrial School to let our students attend their classes while enrolled at Byrd. The students spend a part of their school day learning about the trade of their choice, and the other part in the classrooms of Byrd. These pupils graduate at the end of four years and are ready to begin working in their chosen profession without additional education. Some of the courses offered are automobile repair, welding, radio and television repair, barbering, and machinery.

J. C. Foster is shown in the auto mechanic department.

Carlton Council is seen operating some of the machinery in the machine shop.

Douglas Yelverton, Willis Brown, and Sammy Grecco are shown in the television and radio repair department.

Receiving instructions in the auto repair department are James Volentine, William Gwyn, Jerry Shillcut, Mack Beaird, and David Knott.

Seen operating the welding equipment are Charles Johnson, James Craft, James Henderson, and Alan Ickes.

R. O. T. C.

The Mission of the R.O.T.C. is to train a boy in the basic principles of military leadership. R.O.T.C. classes meet every day, and the course is taken instead of the regular physical education courses for boys. It is open to Sophomore, Junior, and Senior boys. Byrd and Fair Park are the only High Schools in this state that have R.O.T.C. Shreveport is indeed fortunate in having this fine Regiment. The Regimental Staff is at Fair Park this year but will return to Byrd next year.

Byrd could hardly run smoothly if it were not for the secretaries who help the students with problems, aid Mr. Koffman, check absentees, keep records, and do many other jobs.

NATIONAL FORENSIC LEAGUE

The National Forensic League is composed of those students who have earned twenty or more points through public speaking in interscholastic competition. Such points can be earned in debate, humorous and dramatic interpretation, original oratory, extemporaneous speaking, and declamation. The Byrd Chapter is one of the most active in the Louisiana-Texas district, winning the Leading Chapter plaque in 1945 and again in 1952. Every year the N. F. L. sponsors the Voice of Democracy and American Legion assemblies, and takes charge of the football programs. The sponsors of this group are Miss Olive Kite and Mr. Ralph Widener.

First row: Carol Booth, Bill Bryant, Julia Conger, Hani Dehan, Ann Deupree.

Second row: Jack Fant, Jenola Googe, Ann Hardtner, Hunter Herron, Harvey Hysell.

Third row: Paul Jackson, Tommie Lohman, Virginia Marcantel, Melinda McLeod, Mary Ann Neff.

Fourth row: Blair Quinn, Shy Richardson, Jack Schuster, Don Schroeder, Nancy Tharpe, Marcia Wolens.

Fred Sexton, Ann Hardtner, Hani Dehan, Virginia Marcantel, and Zoe Stevens are going to practice their speeches in preparation for a speech tournament. These students have all won awards for their talks in previous tournaments.

Members

Joel Spira, Melinda McLeod, Ann Deupree, Lynn Wilcox, and Harvey Hysell are shown with their debate material preparing to leave for an out-of-town debate tournament. These students have all won honors in previous debates.

This picture illustrates a typical scene in Mr. Widener's sixth period class. The students are shown judging a debate. By judging their classmates' debates, they gain valuable experience as to the fine qualities of a talk.

Here, from left to right, Jack Schuster, Carol Booth, Janice Weinstein, Hunter Herron, and Mary Ann Neff are shown going over some notes in preparation for a speech tournament. All of these students have been outstanding in N.F.L. work.

Every year the N.F.L. sponsors the Voice of Democracy assembly. The Assembly is recorded by radio station KRMD and broadcast the night of the assembly. Here Jack Schuster is shown leading the students in applause at the beginning of the recording.

PELICAN BOYS' STATE

During the month of August, 1954, the annual sessions of Pelican State were held in Baton Rouge. Representing Byrd were eleven boys at Boys' State and thirteen girls at Girls' State. The delegates, who are elected by the junior class, should possess the outstanding qualities of leadership, character, cooperativeness, and scholarship. Meeting with representatives from high schools all over the state, they follow a program planned by the American Legion designed to acquaint young people with the functions of their government and enable them to grasp the meaning of some of the responsibilities which they will be called upon to assume when they become an adult.

Each representative is sponsored by one of the city's leading civic organizations. The Byrd delegation this year made a very outstanding record. For the first time in the history of our school both the governor of Pelican Boys' State and the governor of Pelican Girls' State were from Byrd. Shy Richardson represented Byrd as Governor of Girls' State, and Jack Fant served as Governor of Boys' State. Jack Schuster was elected to hold the office of State Auditor, and Richard Pyburn was selected as the Outstanding Presiding Officer.

THEY WORKED

While We Played

Visiting Baton Rouge for the Leadership Conference were Jerry Malone, Jan Schubert, Linda Laskey, and Diane Trust, Journalism; Joan Daily, Library; and Julia Conger and Anita Titone, Recreation.

A picture of Richard Pyburn, Edna McClendon, Jane Vickery, and Miss Cecilia Cooley was taken while leaving for a Student Council convention in St. Paul, Minnesota.

The camera catches Carol Booth and Pat Carlton crossing the campus and talking about their trips to Florida and Illinois to attend Journalism Conventions. They are walking to meet Ruth Nathan, who also attended the Illinois convention.

Returning from 4-H convention is seen Jo Ann Joffrion. She is wearing her 4-H uniform and is carrying her 4-H minutes book.

Jack Shuster opens the door for Jean Carter as they walk into the auditorium to give their speeches on the Red Cross and Choir Conventions.

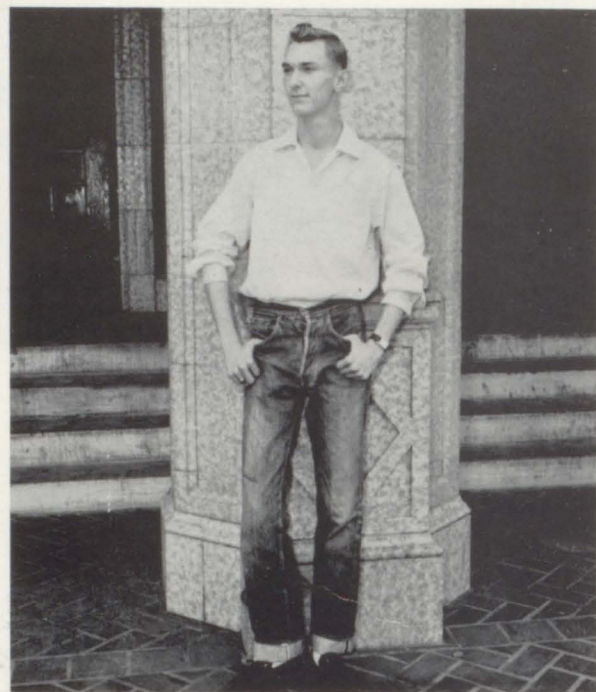

We find Cecilia Smith, Shirley Austin and Kay Reynolds waiting for a bus and discussing their trip to a band convention at L.S.U.

Douglas Yauger, Larry Stephenson, Buddy Ford, Marc Covington, Jimmy Yeager, Alton Parker, Jimmy Davis, Wayne Long, and Taylor Smith stand at attention in remembrance of their trip to Camp Dallas, an R.O.T.C. camp.

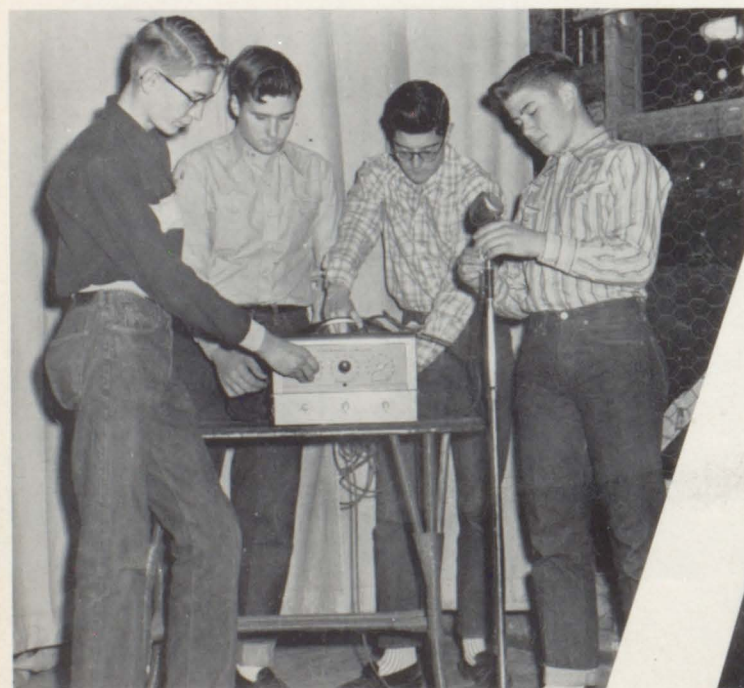

Credit must be given where credit is due. Busily preparing the performers for the half-time is Harvey Hysell, director of many interesting and unusual dances presented as a part of Byrd's half-time shows.

HARVEY HYSELL

No performance could be possible without the stage crew. Members of this indispensable committee, Bobby Box, Charlie Blank, Bob Moore, and Douglas Yaeger are responsible for all properties and lighting facilities used in the assemblies.

As an added attraction to our football games, the team is led by the cheerleaders through a brightly decorated hoop onto the field. Wade Shemwell, Ann Brandon, and Mary Jane Conly are a trio of students who worked with many others in preparing these hoops for each game.

The Scenes...

The First Aid room, sponsored by the Junior Red Cross, is fully equipped with all medical needs for school. There are two students there each period of the day. Receiving some medicine from the gym, they are, left to right: Ethel Scrivener, Julie Briggs, Janice Lindsey, Linda Fisher, Katherine Cole, Marcia Wolens, Flora Kahan, Barbara Johnson, Barbara Underwood, Patty Dugan, and Margaret Mitchell.

Because of their high character, dependability, and efficiency, the girls who compose the office staff help to make Mr. Koffman's tasks lighter and his office a more pleasant place in which to work.

Front row: Barbara Boswell, Ann Nance, Martha Dillon, Camille Brocato, Barbart Blackmon, Elaine Brouillette, Beverly Godwin, Kay Savony, Janice Embry, and Betty Sue Roberts.
Second row: Margie Day, Marilyn Horton, Harriet McHenry, Peggy Hitesman, Diane Griffith, Zoe Collins, Elizabeth Albritton, Virginia Peyton, Betty Kendrick, Jeannine Embry, and Martha Muirhead.

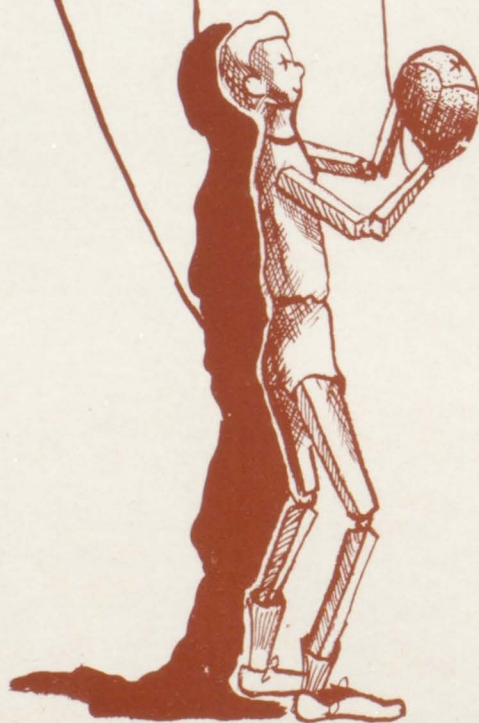

Without their help, it would be impossible to serve the school so swiftly and efficiently during three, thirty-minute lunch shifts. Friendly smiles and loyal service identify these workers.

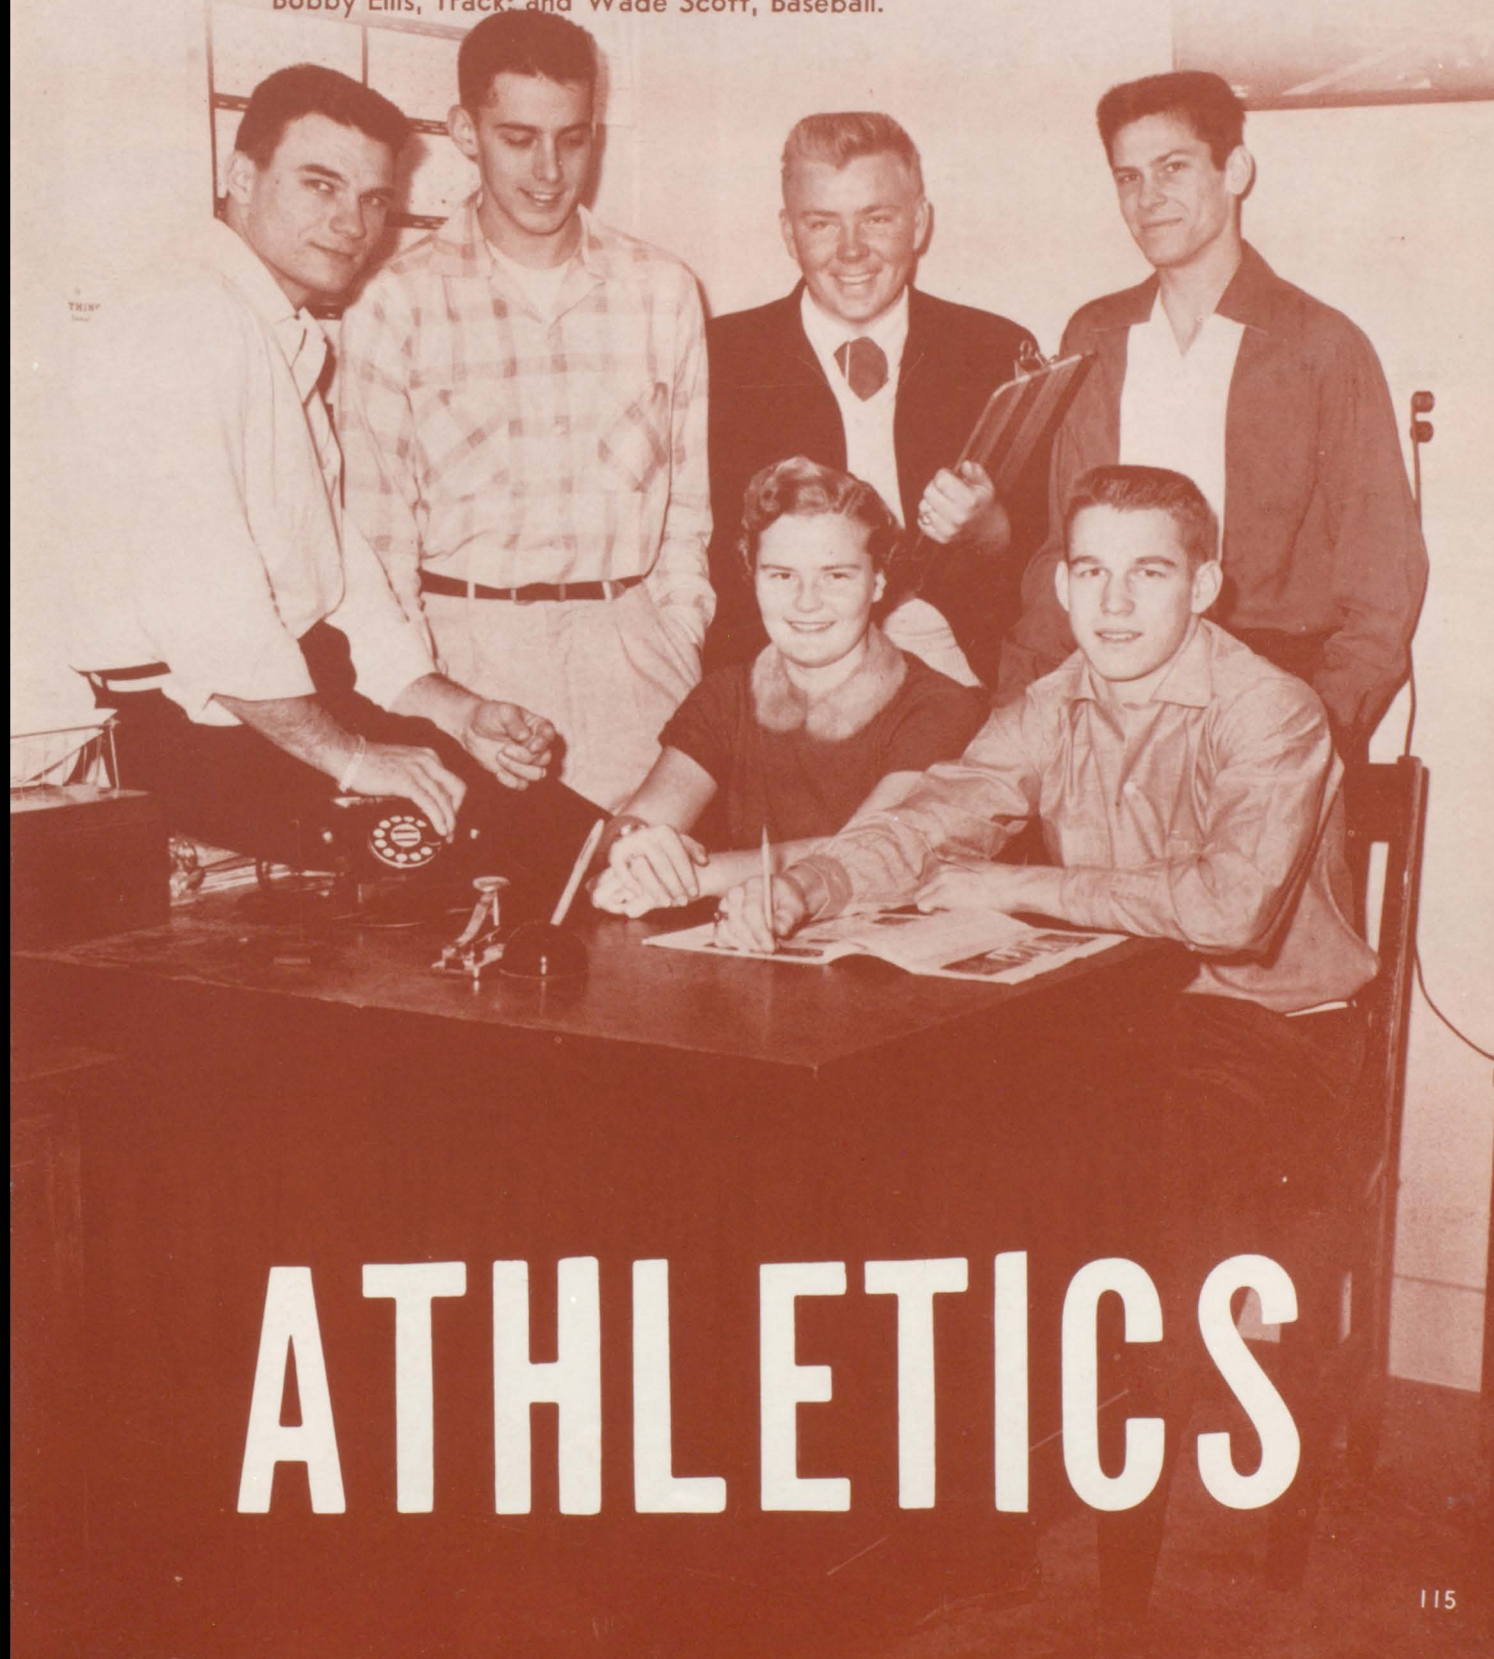

Front row: Lillian Thompson, Robert Anderson, Judson Barton, Donnie Smith, Billy Donnelson, Cora Smith, Nellie Ruth Pettaway, and Beverly Leone.
Second row: Tim Townsend, Billy Gillenwater, James Byrd, Terry Donahoe, Jim McLaughlin, Robert Lee, Era Ann Burson, and Frances Colton.

Each morning finds these boys busily directing traffic in the parking lot, bringing the parking problem to a minimum. Members of this committee are: Jimmy Montgomery, Freddie Meyer, Jerry Gwinn, and Lloyd Hawkins.

Discussing the 1954-1955 Athletic Schedule are Charles Saucier, Football; Gary Richardson, Basketball; Jackie Birdwell, Tennis; John Bird, Golf; Bobby Ellis, Track; and Wade Scott, Baseball.

No field of athletics would be complete at Byrd without this group of enthusiastic cheerleaders. Coordinating Byrd into one vast mass of school-spirited students, the yell leaders were indeed the nucleus of the Jacket student body. After attending a cheerleader workshop in Huntsville, Texas, sponsored by the Student Council, the group returned with many fresh ideas for building organized school participation in all phases of high school athletics. Many hours were spent behind the scenes preparing hoops, banners, and humorous assembly programs which were enjoyed by all. Everyone is certainly proud of the fine work done by the 1954-55 Yellow Jacket cheerleaders.

McCoy returns kickoff 95 yards for touchdown.

BYRD—13 SULPHUR—0

The Jackets started the season off right with an impressive 13-0 win over the highly rated Tors. Midway in the first period Billy Bundrick, a junior wingman, blocked a Sulphur punt and pounced on it in the end zone to put the Yellow Jackets on top 6-0. A 95-yard touchdown return of the second half kickoff by Spanky McCoy was the only other score of the game. As a whole the Byrd defense was tremendous, holding Sulphur to a mere 106 yards on the ground and 30 yards in the air.

The Jackets scramble for a loose ball.

BYRD—12 LAKE CHARLES—20

Byrd, the number two team in the state, was drubbed by Lake Charles after "Spanky" McCoy, Byrd's regular quarterback, was operated on for a torn knee cartilage on Thursday before the game. Frank Pernici, however, turned in a very creditable job. Lake Charles held Byrd impotent almost three quarters. A combination of two touchdowns in the first half and another in the third quarter put the game on ice for the Wildcats. Wimberly grabbed a pass on his own forty and raced all the way for the first Jacket score. Richard Gay scored the only other Byrd tally ending a 65-yard drive.

BYRD—41 WEST MONROE—0

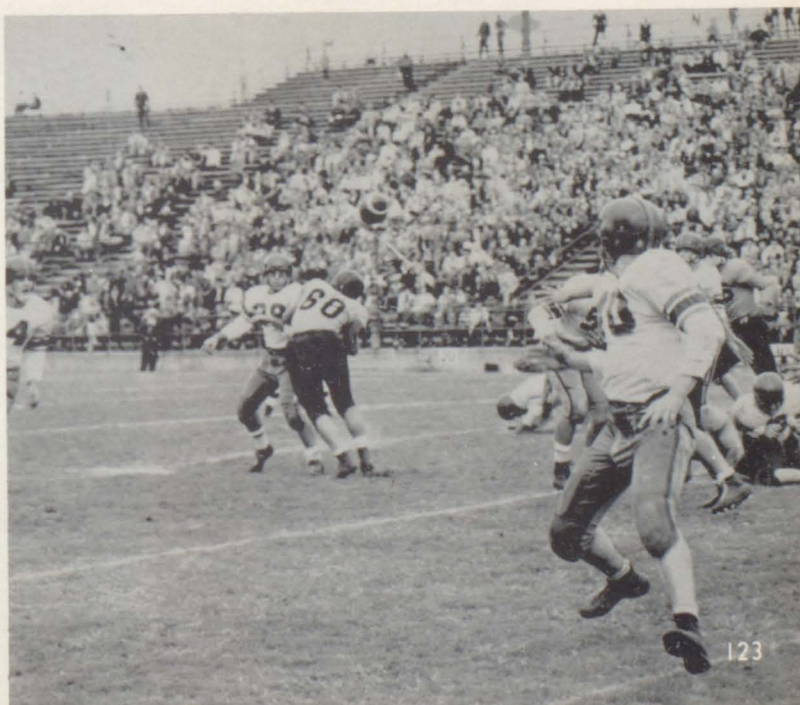

The Jackets rallied for 28 points in the second quarter to soundly outclass the West Monroe Rebels. Halfbacks Richard Gay and Bobby Ellis turned in the best performances on the ground, each breaking away for long runs. After rolling up a 41-0 halftime lead, the Yellow Jacket reserves took over, but the Rebels could only score six points. Ellis led in scoring with two touchdowns to his credit. Richard Pyburn, one of Byrd's starting tackles, scooped up a fumble and scored the first touchdown of his career.

JON PARNELL—Center

BYRD—35 BOSSIER—6

A crew of fast and shifty charging forwards from Byrd High School opened the gate for Richard Gay to score three touchdowns as the Yellow Jackets conquered the Bossier City High School Bearkats to the tune of 35-6. Gay scored on sprints of four, 43 and 65 yards. Early in the second quarter Bobby Ellis crossed over from eight yards out to end a 35 yard drive. Billy Bundrick rounded out the scoring by spilling Bossier's J. W. Slack in the end zone for a safety and scooping up a Bossier kick blocked by Gay and taking it over. Byrd's entire line turned in an excellent game.

BYRD—27 MARSHALL—13

The Byrd Jackets exploded for four quick touchdowns in the first half, in defeating Marshall's Mavericks 27-13. A 46-yard touchdown run by guard Tommy McIntosh on a fumble recovery set the ball rolling. Bobby Ellis scored again six minutes later from five yards out. After Marshall had whittled the lead to 13-6, Richard Gay rifled a pass to Bundrick and Wimberly converted. Gay bird-dogged it over from five yards out for the last Jacket score of the night. The Mavs bounced back in the fourth quarter, but it was not enough to down the mighty Yellow Jackets.

TOMMY McINTOSH—Guard

BYRD—28 BOLTON—7

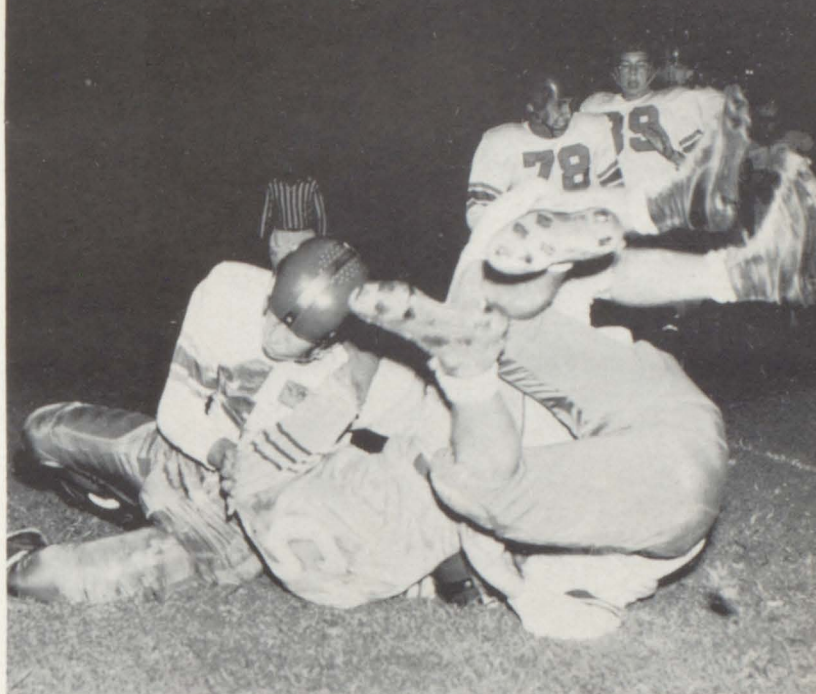

The Rowanmen combined a speedy offensive with a hard charging defensive setup to soundly outplay the Bears of Bolton High School. A loose Bolton pass was taken on the 42-yard line by Richard Gay, who went all the way for the first touchdown. An option play with Frank Pernici handling the ball went for 57 yards to end the first quarter scoring. Billy Bundrick took a 30-yard pass for a score. A surprisingly unique run on a quick opener by Joe DeFatta went for 31 yards and a touchdown. The Jackets kept Bolton in its own territory until midway of the final period.

BYRD—25 HAYNESVILLE—6

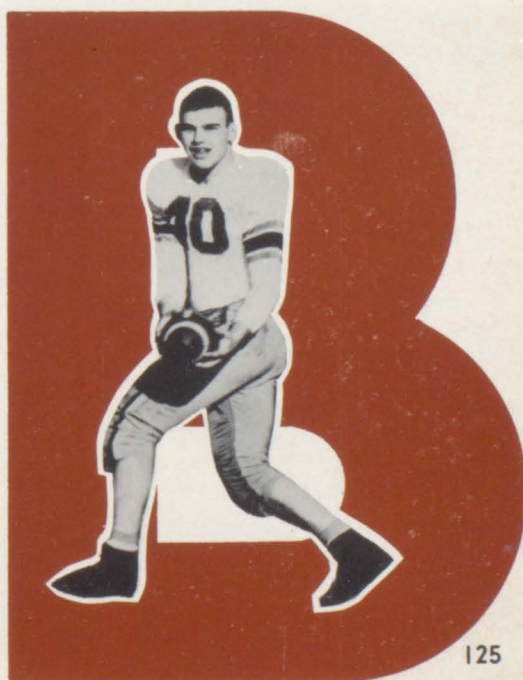

The Jackets notched their first score following a scare by the Tornadoes' Don Nichols, who galloped 69 yards only to have it nullified. Bobby Ellis, climaxing a 51-yard drive, hauled the ball over the goal line. Midway of the second period Gay scored from seven yards out to make it 12-0. The next touchdown came as a result of a pass and a one-yard sprint by Jerry Benson. Gay's 44-yard jaunt was good for Byrd's final tally to end the excitement for the night.

BYRD—53 OUACHITA—6

The Yellow Jacket crew of Byrd High School crushed the Ouachita Lions 53-6 to spoil the Lion homecoming. Bobby Ellis got the Jackets off on the right track with a 45-yard run after only 90 seconds of play. End Billy Bundrick paced the Jacket scoring barrage with three touchdowns, two on pass catches and the third on a neat 95-yard return of a pass interception. Richard Gay added two more tallies on runs of 45 and 13 yards. Jerry Benson cracked over from 11 yards out and Jack Fant galloped 66 yards to round out the scoring.

BYRD—7 BASTROP—28

The red-hot Bastrop Rams stormed the Yellow Jackets, to end the repeating of the Jackets as the North Louisiana AAA Champion. The Rams rolled to a 14-0 lead in the first period. A combination of fumbles, intercepted passes, and a determined Bastrop team saw the Jackets have their worst night in the 1954 season. Bastrop added seven more points in the third quarter. The Jackets seemed to resume its old touch when Richard Pyburn recovered a fumble on the six. Gay went over right tackle and Byrd was behind 21-7 after Wimberly converted. Another touchdown by Bastrop's McGough put the finishing touches to Byrd's first defeat of the season.

Gay plows into a Ram tackler.

BYRD—60 SPRINGHILL—0

The Byrd line turned in their best performance of the year by literally tearing up the previously undefeated Springhill Lumberjacks. Richard Gay led the scoring onslaught with four touchdowns, his longest run being a 45-yard jaunt through the middle of the line. Billy Bundrick also broke into the scoring column with two tallies on passes from Frank Pernici and Gay, the latter being a 64-yard pass play. Other scores of the game came from Bobby Ellis and Pernici. Completing each of three passes attempted, the Jackets amassed 91 yards in the air and 444 yards on the ground.

YELLOW JACKETS SMOTHER INDIANS, 32 TO 0

The Byrd Yellow Jackets, after a very slow first half, erupted for twenty-five points to literally smash the Fair Park Indians for the second straight year. An estimated crowd of 14,000 watched the game for three quarters with the outcome still in doubt, but then the roof fell in. The west side of the stands were jubilant as Byrd rolled in the air and on the ground. Richard Gay opened the scoring just before the end of the second quarter on a two-yard plunge. Another tally was added by Jerry Benson as the third period opened to put the Rowan crew on top by 13-0. Pernici then opened a passing attack,

connecting with Charles Saucier for 33 yards and Billy Bundrick for 24 yards for touchdowns. The final score of the afternoon came on an aerial from reserve Eddie White to halfback Sonny Jacobs in the end zone. Byrd's defense had a hand in the Thanksgiving feast, too. The Indians crossed the midfield stripe only twice during the course of the game. If any player could be credited with being the star of the game, it would have to be Charles Saucier, a senior end, who played a terrific game on offense and defense.

Below are the boys who do the work and get little credit. The managers spend hours preparing the fields and track for athletic contests. Also important is the personal encouragement given to the players by our **YELLOW JACKET MANAGERS**.

The "B" Team is one of the Junior teams of the football training program in preparation for the Varsity Team of the following years. The squad of this Junior team receives the same training as the Varsity squad with emphasis on fundamentals and a less strenuous lineup of opponent teams to play. Most of these teams are from neighboring towns and are in a lower bracket of State Rated Schools according to

the enrollment of male students. The boys are given an opportunity to advance to varsity ball. Squad members take part in scrimmages where they face first team players. If a boy develops fast enough, he will only be required to play one year on this team. The function of this team gives the coach a chance to watch the boys under competition and in the fire of the battle of Football.

FOOTBALL is more than a sport—it's a student way of life. To Byrd students, Friday night means a chance to get away from the routine life of classes and books. From the time you enter the gate you are in a different world—a world of cleats and pads. After you have secured your souvenir program and cushion, you scramble for a seat in the midst of the milling crowd. The Jackets prepare for the contest in a pre-game warmup. Led by the captains, the team breaks the hoop and is ready for the opening kickoff. The packed stadium rises as play gets under way. After the first half of play, the Byrd band performs on the field. The cheerleaders relax while the teams rest at halftime. A loud cheer from the pep squad brings on the team for the second half. In what seems like only a few seconds the game is over, and you are thrust back into the old grind as suddenly as you were taken from it.

BYRON GARIEPY—Center

Fair Park edged Byrd 42-41 in an overtime period in the first meeting of the cross-town rivals, but Laughlin's squad bounced back the next night to down St. Johns, 53-38.

Byrd again advanced to the finals, this time in the Centenary Tournament, to be beaten by Simsboro, 50-35. The Jackets coasted to the finals on victories over Belcher and Bossier.

Minden, taking advantage of the flu-stricken Byrdmen, squeaked out a 40-38 victory. In the same week, with all first team boys well again, Haynesville fell before an offensive onslaught, 73-45, in the first conference game for the Jackets.

WADE SCOTT—Guard

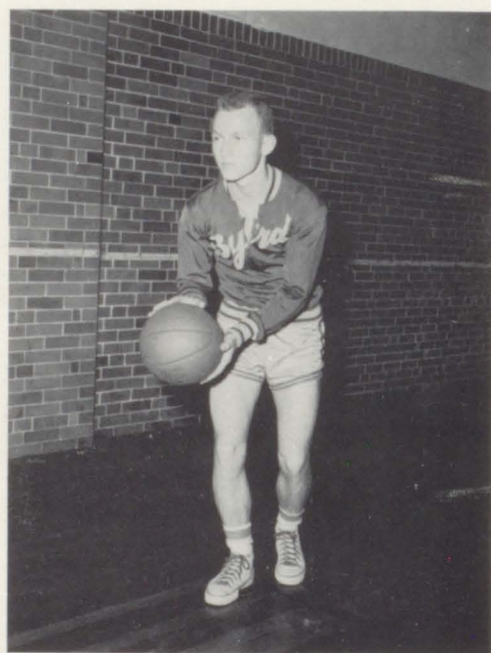

Byrd, playing teams who had started their season a month before, lost their first two games of the season. Simsboro, defending class "B" champion, edged out the inexperienced Jackets 48-43 and Bolton outlasted them 47-40.

The experience of the first two games put the Line Avenue crew on the road. Vivian was romped 61-34 in the third outing.

After advancing to the finals of the Springhill Tournament, the Jackets were bumped by the experienced Ruston Bearkats, 51-43. Byrd showed great promise as they easily ran past Neville 59-36, Simsboro 35-30, and Shongaloo 56-28 in reaching the finals. Eddie Burt, the only returning letterman, was selected on the all-tournament team.

During the following week another victory was added to the record as Texarkana, Texas, was downed 57-51.

JOHN YOUNG—Guard

The Minden Tournament was a disappointment to the Jackets, who finished in fourth place. They downed Dubberly 37-36 and Evergreen 44-31, but lost to Bossier 47-38 and Fair Park 61-52.

Showing their clutch ability, the Jackets stomped Fair Park 56-40 in their first conference game with the Indians and bested Vivian for the second time, 55-46.

In the Bossier Tournament, the following week, Byrd reached the semi-finals before getting knocked over by Minden, 54-23. Springhill and Oil City were victims of the Jackets during the morning play. Gary Richardson was voted to the all-tournament team.

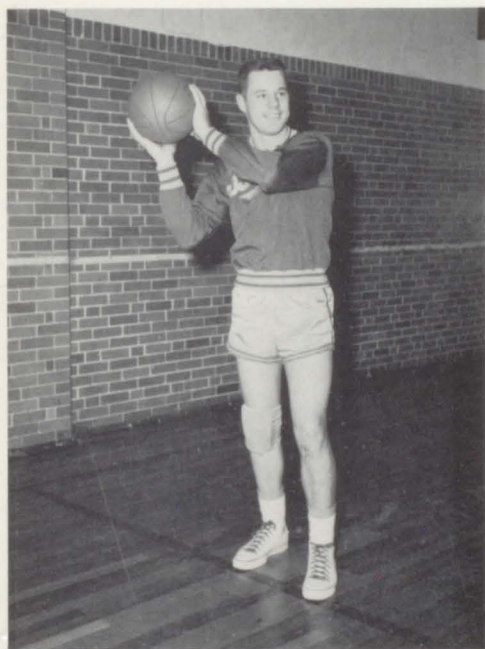

Reaching their peak the Jackets began a winning streak. Bossier fell 40-39 before the highly touted Minden squad squeaked out a 59-53 victory.

Traveling to Haynesville proved worthwhile as the Tornadoes fell 55-42. Bolton, first place team in the Southwest district, proved but a pushover as the round ball squad from Byrd rolled to a 69-53 win.

St. Johns, always a victim of the Jackets, played one of their best games of the season before bowing out by a 54-41 score.

The Jackets once again trounced Fair Park, this time by a 66-58 margin. This victory made Byrd the Western Division Champs of North Louisiana AAA basketball.

For the third time of the year Bossier was beaten by Coach John Laughlin's squad. The final score was 54-38.

The playoffs came and Byrd, having their off-night at the wrong time, was downed 59-58 by Ouachita in one of the most thrilling games of the year. This loss put the Jackets out of the race for the state championship. The lead was never in doubt until the last few minutes. Byrd at one time was on top by twenty points, but the Lions suddenly got hot and pulled to within one point with only five seconds remaining. A Lion player literally threw the ball at the goal and just as the buzzer sounded, the ball swished through. The disappointed crew of Yellow Jackets came back the next night to whip the Bastrop Rams, 42-35, and win the consolation championship of North Louisiana.

The 1954 Byrd Yellow Jacket thincads came through with their first state championship team since the school was founded in 1926. The Jackets piled up an impressive 65 1/2 points in taking the state crown. Byrd holds more track records than any other school in Louisiana, most of which have been made since 1952. Even though there weren't any records broken in the state meet, the Yellow Jackets took a clear sweep of the relays. Recognition is due Coach Turner as he is the first coach of our school to win a state championship. There is also an attractive schedule for Freshmen and others who are interested in developing their skill in running and other track events.

OUTSTANDING ATHLETES

Above are the players who represented Byrd on the two All-City teams elected each year by the coaches and sports writers of the city. From bottom to top are Frank Pernici, Ray Gill, Billy Bundrick, Paul Hawley, Richard Gay, Richard Pyburn, Charles Saucier, and Lamar McInnis.

Richard Pyburn and Richard Gay display the trophies they received at the annual football banquet. Pyburn was voted outstanding lineman and had the highest scholastic average on the team. Gay was voted outstanding back and most valuable player.

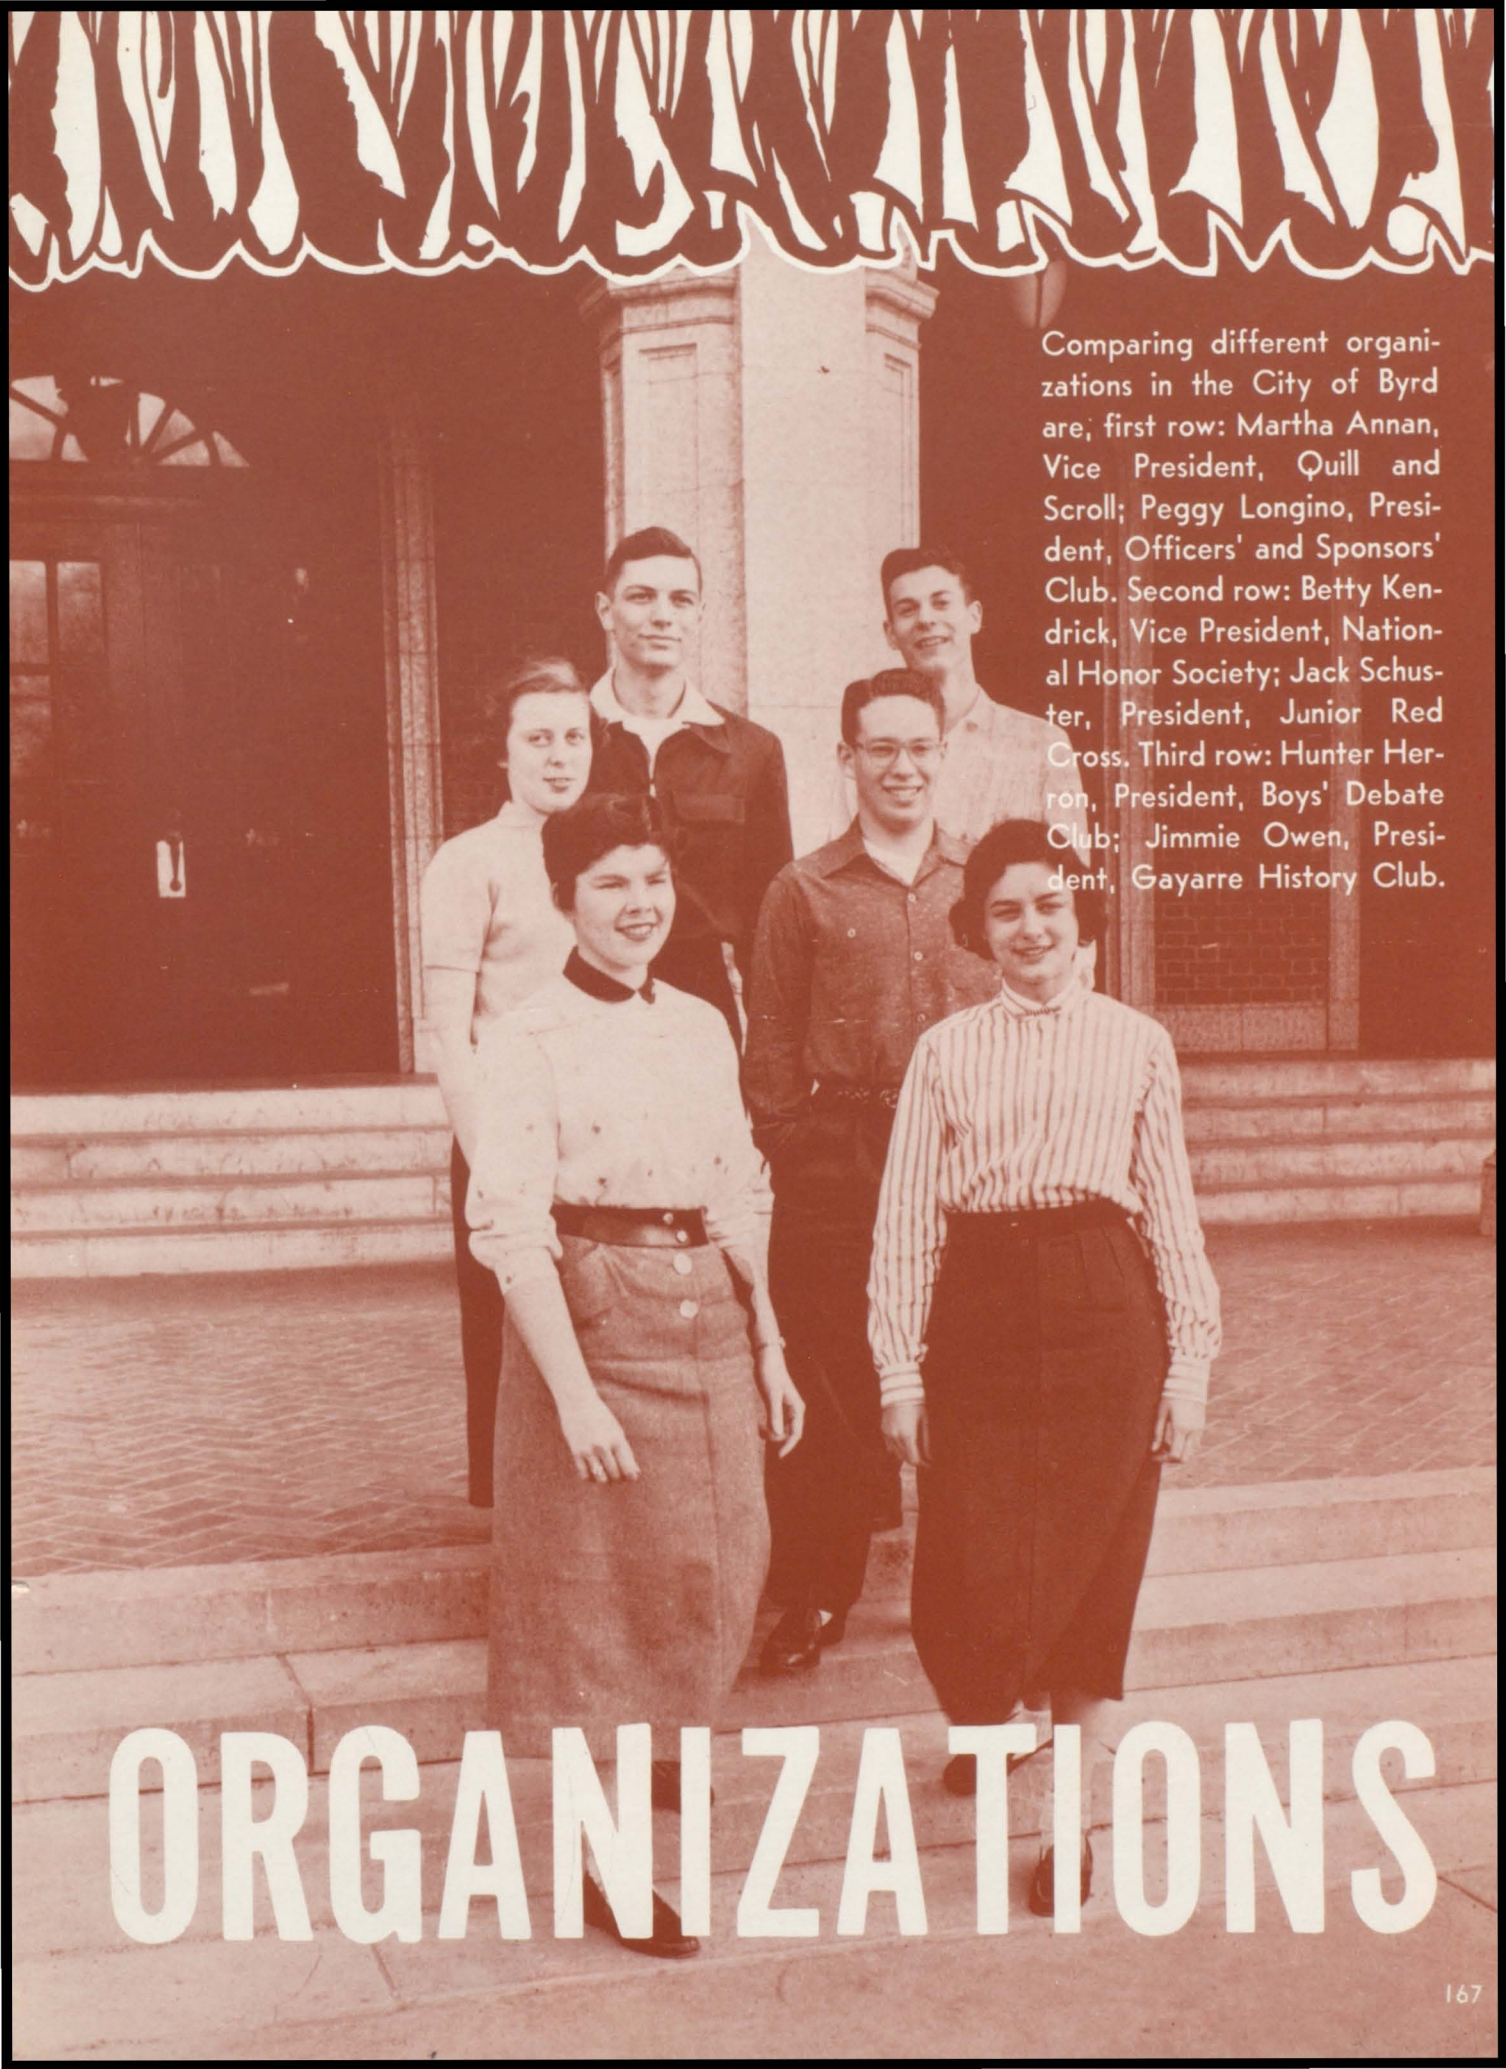

Paul Hawley, Richard Gay, Richard Pyburn, Billy Bundrick were voted to first string berths on the All-District team.

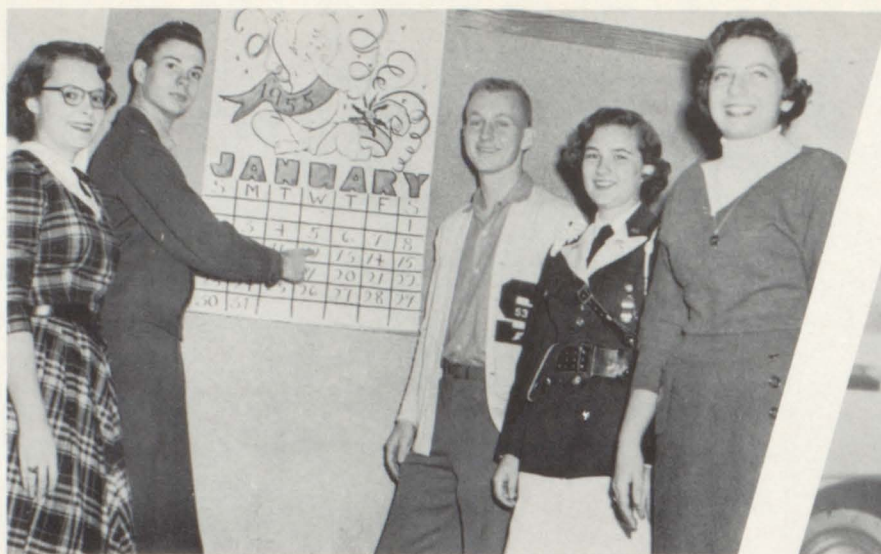

Gary Richardson was voted the most valuable player on the basketball team.

Comparing different organizations in the City of Byrd are; first row: Martha Annan, Vice President, Quill and Scroll; Peggy Longino, President, Officers' and Sponsors' Club. Second row: Betty Kendrick, Vice President, National Honor Society; Jack Schuster, President, Junior Red Cross. Third row: Hunter Herron, President, Boys' Debate Club; Jimmie Owen, President, Gayarre History Club.

ORGANIZATIONS

During the past year the Byrd club presidents have done a wonderful job of fulfilling their many duties. Jane Tucker from the Library Club, Jimmie Owen from the Gayarre History Club, John Young from the National Honor Society, Ann Hamilton from the Quill and Scroll, and Janice Weinstein from the N.F.L. are seen as they try to find an open date in which to have their club meetings.

Byrd Clubs also take part in many civic activities. Sue Sneed and Mary McLean, two members of the Officers' and Sponsors' club, are seen collecting for the March of Dimes as Mr. Ravenna contributes.

Thousands of words have been written this year in hundreds of notebooks as our club secretaries worked to keep accurate accounts of their club meetings. A few minutes before club period we look in on several of the club secretaries who are checking their notes to make sure they are correct.

They are, from left to right, Edna McClendon of the Student Council, Annette Saizow of the Girls' Debate, Martha Ann Thom from the General Science Club and Karl Kothe of the Boys' Debate. On the second row we see Ann Harp from the choir, Lila Scott of the Red Cross, Calista Whittekin of the Los Vecinos, and Judy Wintle from the Lower Latin Club.

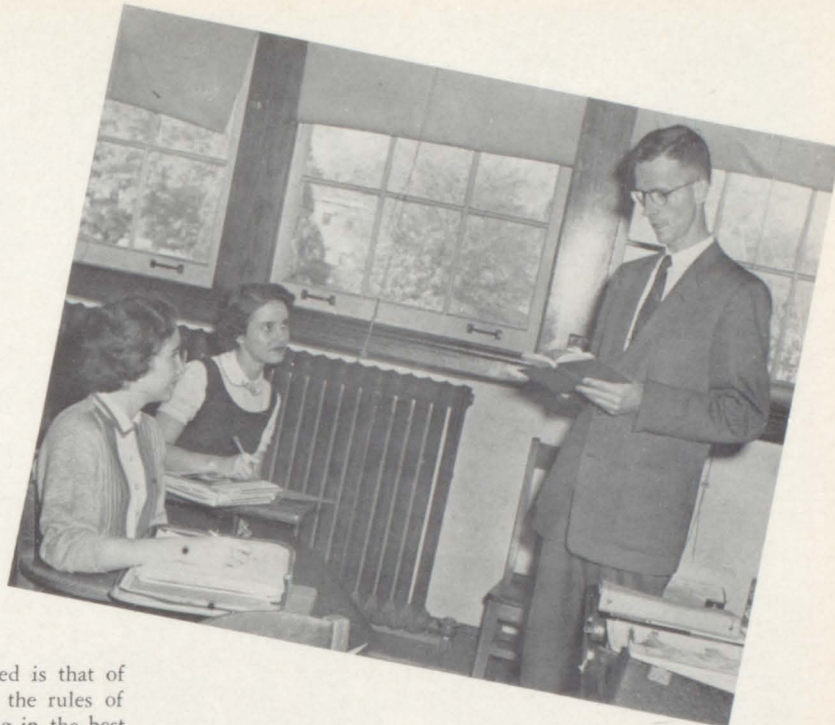

Our Byrd clubs have had fun at play as well as work. These Band members are seen enjoying their annual Band party.

The club Sergeants-at-Arms are to be commended for the good job they have done of their necessary but hard job of keeping the club meetings in order. Here we see Lamar McInnis of the Officers' and Sponsors', Bobby Ware of the N.C.O., Jimmie Davis of the Band, Edna Tullous of the Y-Teens and Helen McCarthy of the Future Nurses receiving hints on club order from Mr. Koffman.

One of our club offices that is so often overlooked is that of parliamentarian. A parliamentarian must know all the rules of Parliamentary Procedure in order to keep a meeting in the best order. We look in on Martha Nan Thompson of the Future Teachers and Linda Frye from the Student Council as they receive special instruction from Mr. Widner in Parliamentary Law.

Each Tuesday morning before school the office has been crowded with our club vice presidents busy placing club cards in the teachers' boxes. These cards serve as a hall pass for those going to clubs during the club period. Here we find Frances Roush of the Los Novicios, Jane Aubrey from the Future Homemakers, Robert Mack Caruthers from the Camera Club, Sarah Turnley of the Freshman Y-Teens and Martha Annan of the Quill and Scroll.

Hundreds of dollars have been spent during the past year on many club activities. Our club treasurers have had a big job keeping an account on all the money affairs of their clubs. Here we see several of the treasurers with Mrs. Roberts who keeps a record of all school finances. She checks from time to time with the club treasurers to make sure their books agree. They are, from left to right, Kay Rowell of the Freshman Y-Teens, Juanita Morrison of the Senior Y-Teens, Jackie Stewart of the Pep Squad, Susan Riggs of the French Club, Dick Sanders of the Red Cross, Eason Wimberly of the Varsity Club, and Paul Hawley of the Allied Youth.

First row: Martha Annan, Vicki Carlock, Pat Carlton, Julia Conger, Sandra Dobson, Jenola Googe, Ann Hamilton.

Second row: Hunter Herron, Connie Kihneman, Linda Laskey, Peggy Longino, Jerry Malone, Edna McClendon, Johnnie Mitchell.

Third row: Elinor Moreland, Ruth Nathan, Jimmie Owen, Jon Parnell, Richard Pyburn, Blair Quinn, Sissy Raspberry.

Fourth row: Shy Richardson, Jack Schuster, Joyce Siegel, Sylvia Small, Zoe Stevens, Anita Titone, Jane Vickery, Beverly Yearwood.

The National Honor Society is an organization whose membership is selected by the faculty on the basis of Leadership, Scholarship, Service, and Character. The purpose of the Grover C. Koffman Chapter is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in students. The very impressive installation ceremony of the chapter was written by our principal, Mr. Grover C. Koffman. This year's sponsor was Mrs. Lucille McClendon.

Quill and Scroll is an international honorary society for high school journalists. The Byrd Chapter was begun in 1947 and has been active ever since.

An impressive initiation, followed by an informal banquet, is held for the new members each year. In order to be eligible for Quill and Scroll, a student must have contributed ninety hours of work to the Gusher or fifty inches of material in three consecutive issues of the High Life. The Student Council plays an important part in the student-faculty relationship of Byrd High School. The overall project of the 1954-55 council is the extension of last year's project of improving public relations; this includes relations within the school, the community, and other schools we have contact with.

The council is cooperating with the Inter-club Council for equipping the Byrd Memorial Youth Center.

Byrd was represented at the State Convention of Student Councils in Alexandria, Louisiana; the Southern Convention in Jackson, Mississippi; and the National Convention in St. Paul, Minnesota, receiving the office of president of the South.

The council is composed of representatives from each homeroom; therefore, it establishes contact with the entire school.

Rochelle Monsour, Anita Adcock, and Suzanne Sloane as workers of the Courtesy Desk, act as Byrd's ambassadors of good will by greeting any visitors who come to our school. Besides showing these guests through the building, the girls also lend a helping hand to the office by running errands during their period at the desk.

The assembly at which time the finalists in the Voice of Democracy contest give their speeches is one of the most anticipated assemblies of the entire year.

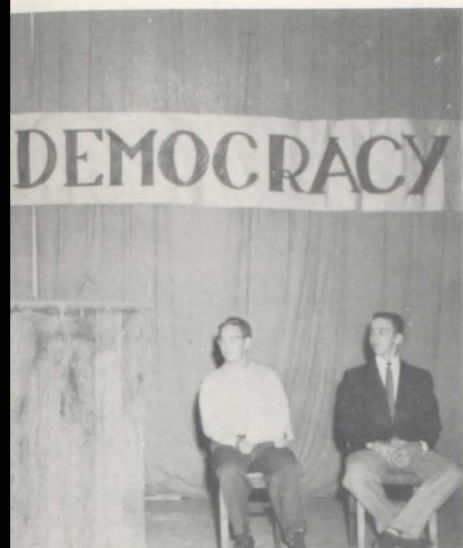

Leaving for Jackson, Mississippi, to attend the Southern Convention of Student Councils are Linda Frye, Jenola Googe, Sylvia Small, John Young, and Miss Cecilia Cooley. Well representing their school, the group returned with the gavel, a symbol of Byrd's election as president of Southern Student Councils.

The Stingerettes is one of the newest organizations at Byrd, being organized in 1953. Members are elected by the students of the junior and senior classes. This year approximately one hundred members of the Stingerettes performed at every football game and attended all basketball games. This year the Junior Red Cross has extended its policy of helping others to new heights. Besides filling gift boxes to be sent overseas, the organization has rolled band-aids at the Confederate Memorial Hospital, and during the absence of the elementary teacher at the hospital, the members operated a reading clinic for the younger patients. The Red Cross Council has made it possible for the tubercular patients to have their own Bibles. The Council decorates for the Veterans' Hospital each holiday. Mrs. Jo. Pardue and Miss Virginia Chaddick sponsor the Junior Red Cross.

COMMITTEE CHAIRMAN

Making plans for future projects are Toni Sherman, Cynthia Dawkins, Emily Taylor, Fred Sexton, Mary Lea Booth, and Susie Ogier.

How does one become a member of the Junior Red Cross? At the first of the year a membership drive is conducted in each homeroom and all of the students are urged to join. Here we see several enthusiastic students paying their dues to Janice Lincove.

The first big job of this organization is to compile the names, addresses, and telephone numbers of all the students and publish the "Student Directory." In this picture Mary Lea Booth and Janis Schubert are shown compiling the list before publication.

To be sure that the list compiled for the Student Directory is correct, Connie Kihneman and Sue Cowles are posting a portion of the list on the bulletin board in the front hall. The students of Byrd whose last names begin with F, G, H, and I are requested to check the list to see if their name, phone number, address, and classification are correct.

At last they are out! The student directory gives our citizens a telephone book for the City of Byrd. These students are shown purchasing their copy at the school store. The entire thirty-nine page book sells for only thirty-five cents.

Red Cross Does

Here the life-size witch made of construction paper by the art staff is being prepared for a Halloween party at the Veterans Administration. This party is to provide entertainment for the patients of the hospital. All of the Junior Red Cross organizations in Shreveport participate in preparing and giving the party.

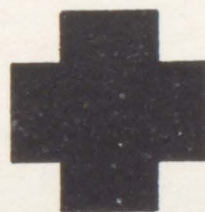

In this scene the members of the Junior Red Cross Council are shown with all of the finished favors, cutouts, real pumpkins, and the finished witch. The witch is seen stirring the boiling cauldron. These decorations are taken to the Veterans Administration Hospital as Byrd's contribution to the party given for the patients at the hospital.

Nancy Lane, Sue Neson, and Sarah Myatt are shown in the supply room of the Confederate Memorial Hospital rolling bandages for the hospital. There are twenty-five girls who go once a week to the hospital; five go each day after school. This service is rendered by the Byrd Junior Red Cross by volunteers who work for no extra merit.

Now only a few days before the Christmas holidays, Dee Stahl, Jimmie Hampson, Susie Ogier, Norma Strother, and Vernon Chance are shown making the final preparations to mail the Christmas boxes to our friends in other countries. This is a fine example of the work that our Junior Red Cross does.

Each year the club donates to the World Friendship among Children and participates in social service at the children's ward of the Charity Hospital. One of the highlights of the year is the Mother and Daughter Tea. Miss Margaret Purvis is the sponsor of this club.

The Byrd Camera Club was organized to help students understand photography in all of its fields. This year's Camera Club members, with the help and encouragement of their sponsor, Mr. Conover, have built and completely equipped a dark room. The new equipment has done much to promote the interest of the club members. Any member of the Camera Club may use the dark room if they sign up for it in advance. Therefore, many students have been able to make and develop classroom shots for individual teachers. They have also made many pictures for the 1955 Gusher. Mr. Leonard Conover has shown the members the proper procedures of photography and development. To be a member of the Camera Club, one must enter two pictures in the judging held each month.

We look in on Alton Straughan, Cowen Drummond, Jerry Lacky, and Diane Bastian as they dry the finished prints.

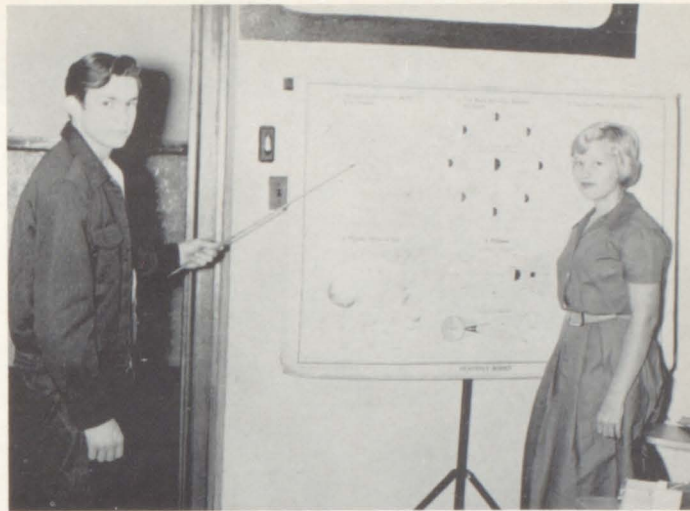

We see Jimmie Hunt, Johnny Brockaway, Frank Hampson, Robert Neff, Gayle Dennis, and Sara Hitchcock as they judge the finished prints.

THE OLD ENDS ... THE NEW BEGINS.

As the old year comes to a close we find many of the clubs and organizations making their plans for the coming year. Nominations for the club's offices are made and the points for the students nominated are checked. Before long the campaigns are in full swing. Hundreds of posters are seen in the school's hallways, and numerous speeches from the many candidates are heard. The fever of excitement runs high as the elections near an end. At last the results are announced, and we soon find things back to normal. Thus the new year begins.

Nominations for officers are made.

Campaigns for the coming elections are planned.

Wanda Markham is shown making a speech during her election campaign.

Janis Freeman is shown casting her ballot.

Charlotte Jones is seen making a campaign speech.

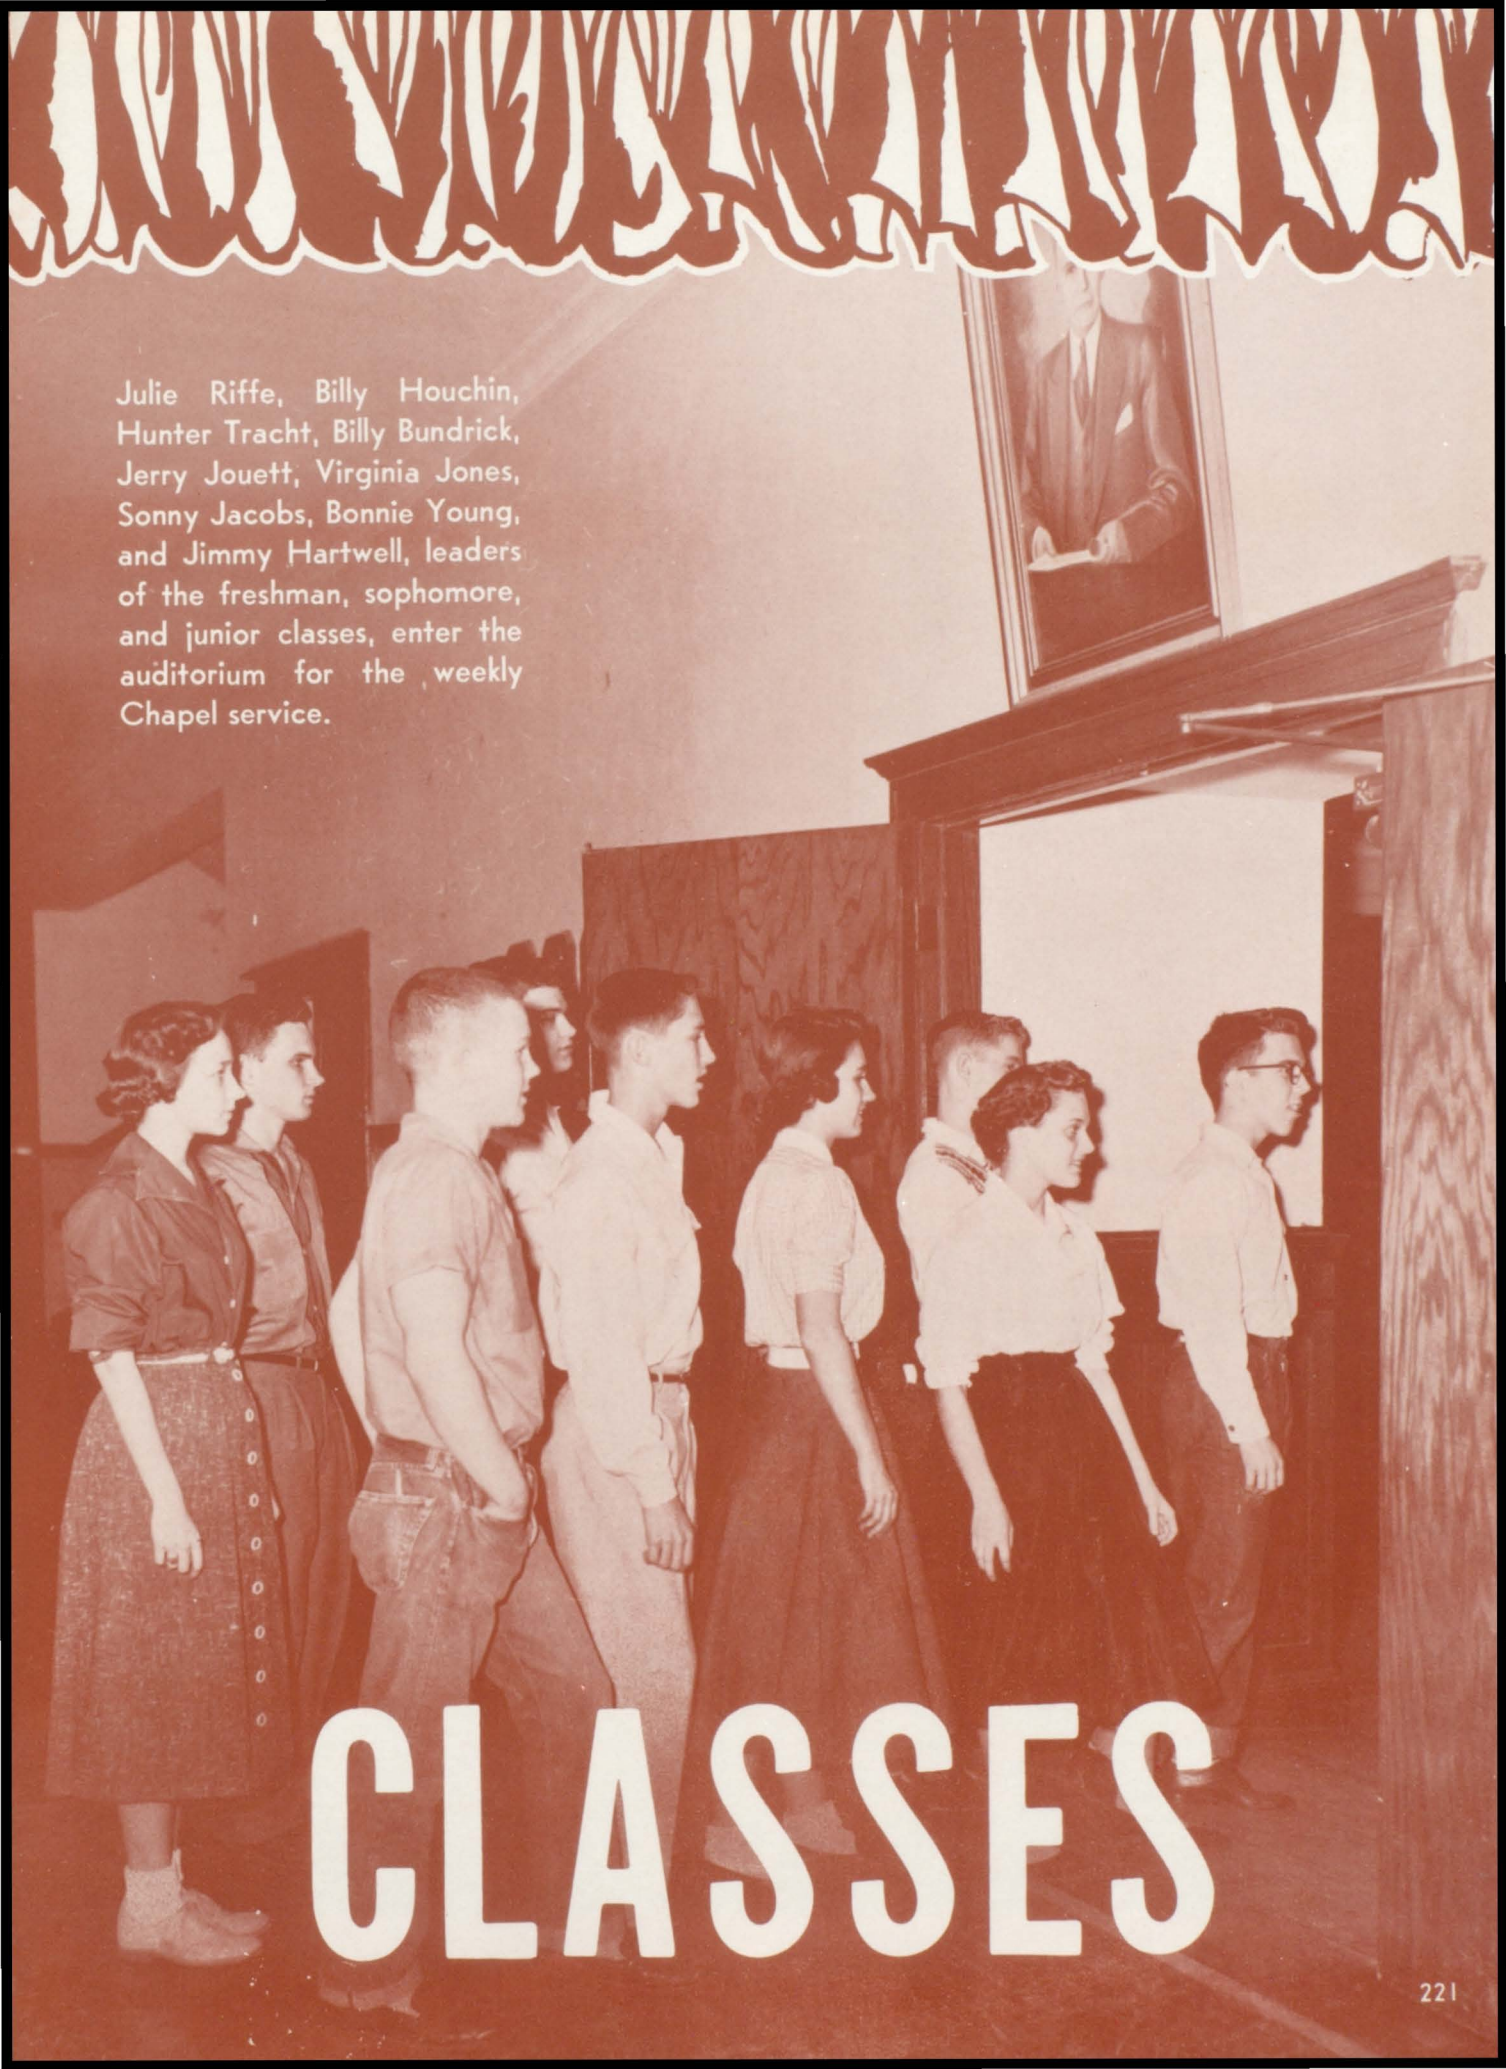

Excitement runs high as the results of the election are about to be announced.

Plans for the coming year are made.

Julie Riffe, Billy Houchin, Hunter Tracht, Billy Bundrick, Jerry Jouett, Virginia Jones, Sonny Jacobs, Bonnie Young, and Jimmy Hartwell, leaders of the freshman, sophomore, and junior classes, enter the auditorium for the weekly Chapel service.

Freshmen being shown around Byrd on the first day of school.

Taking a much needed rest from their busy student life are these typical pupils: Francis Kelker, Penny Wise, Dudley Baker, Barbara McGowan, and Jack Fant.

STUDENT LIFE

FRESHMEN

Freshmen being shown around Byrd, the first day of school, to get acquainted with the facilities of the building.

SENIORS

Seniors receiving their rings which is an important part of being a Senior.

WHITE

SAVING

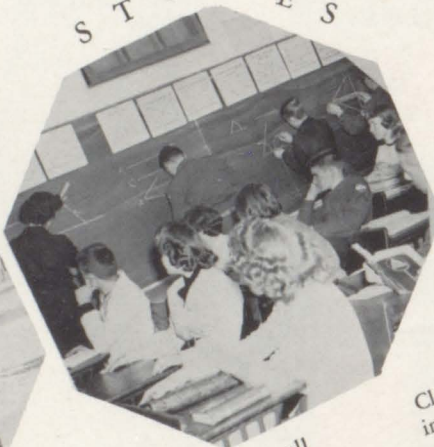

Bank Day is an important one at Byrd each week. Students take part in the School's Savings Program sponsored by a local bank.

SPENDING

Spending is also a necessary event. Here students buy corsages from Pep Squad members for an after-game dance sponsored by the Stingerettes.

STUDIES

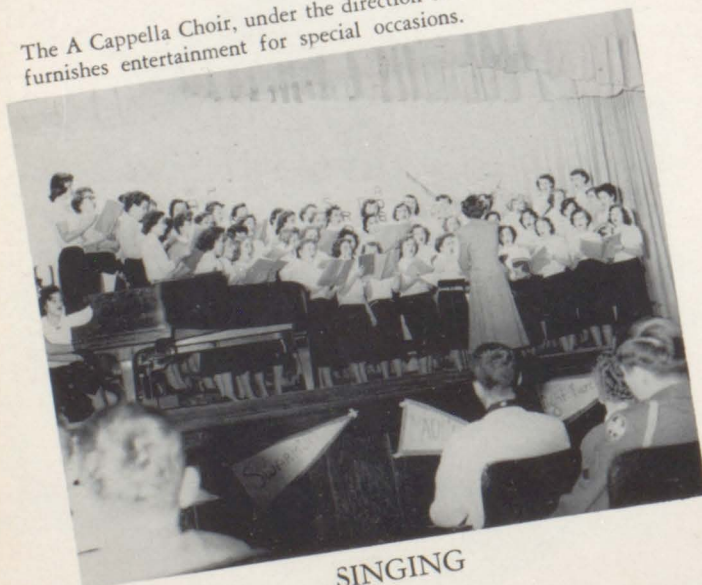

Byrd is well represented in all sports. Here are a few of the football team before an out-of-town game.

Classes, of course, play a most important role in the school life of every student in the "City of Byrd."

What Is

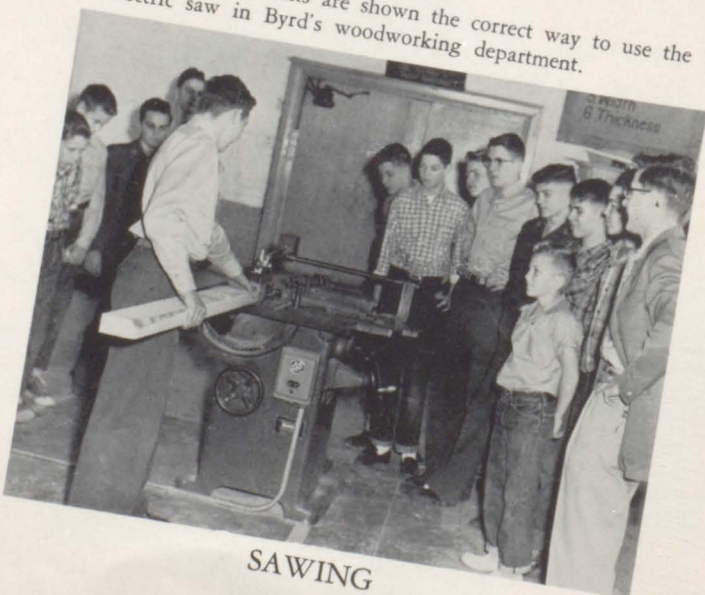

SPORTS

The A Cappella Choir, under the direction of Mrs. Chandler, furnishes entertainment for special occasions.

SINGING

A group of students are shown the correct way to use the electric saw in Byrd's woodworking department.

SAWING

Several buses were chartered for each out-of-town football game.

Fun for all describes the excursions to the towns of the Jackets' rivals.

BACKSTAGE

Byrd assemblies would not be possible without the hard-working stage crew behind the scenes.

ON STAGE

"Merry Christmas to all!"

Byrd?

Issuing Pep Squad sweaters seems to be a very amusing event. Blair Quinn, President, enjoys giving them to Pat Miley, Sandra Dobson, Harriet Hayes, and Janet Kelly.

Often there were dances sponsored by the Varsity Club or the Stingerettes after games.

STUDENTS

WERE YOU...

Did you represent your school at some time during the year? Did you attend the football games? Did you go to all the assemblies? Were you at your usual place each day in class? Were you seen in the halls between classes? There are many activities throughout the year which you should have attended in order to be classified as a citizen of the City of Byrd. We would like to know . . . Were You There???

See if you can find yourself in the following pictures.

Left to right are . . .

Upper left: No matter which assembly you attended this year, it was well worth your time. Did you enjoy them?

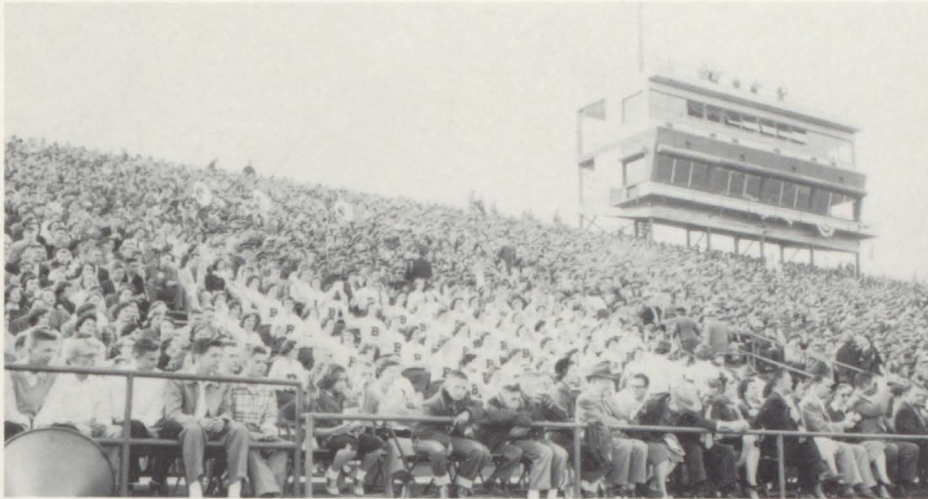

Upper right: Did you support your team at the Byrd vs. Bastrop game? If you missed it, you really missed a thriller.

Lower left: Were you one of the lucky seniors who got to attend Career Day at Louisiana Tech? It was very educational, and everyone there had a wonderful time . . . Were you there?

Lower right: Do you ever wander around the halls? See if we caught *you* unaware.

...THERE?

Excitement ran high at the annual Turkey Day game in which the Jackets played their friendly rivals from Fair Park. Everyone enjoyed the game. Were you there??

There were many who made special efforts to support their team. There were many out-of-town games to which faithful Jacket rooters followed their team. Were you one of these who attended the Springhill game?

Above right: It must have been an exciting assembly. Were you there??

What do you do with your spare time in study hall? At the right is a picture of one of the larger study halls . . . Some of the students are shown deeply engrossed in their studies while others look over their High Life.

WERE YOU...

Byrd Yellow Jackets vs. Sulphur. Another great game in which the Jackets came through with the win. Were You There??

The Student Council Variety show was a huge success this year. The money obtained from the show went to the Byrd Memorial Youth Center.

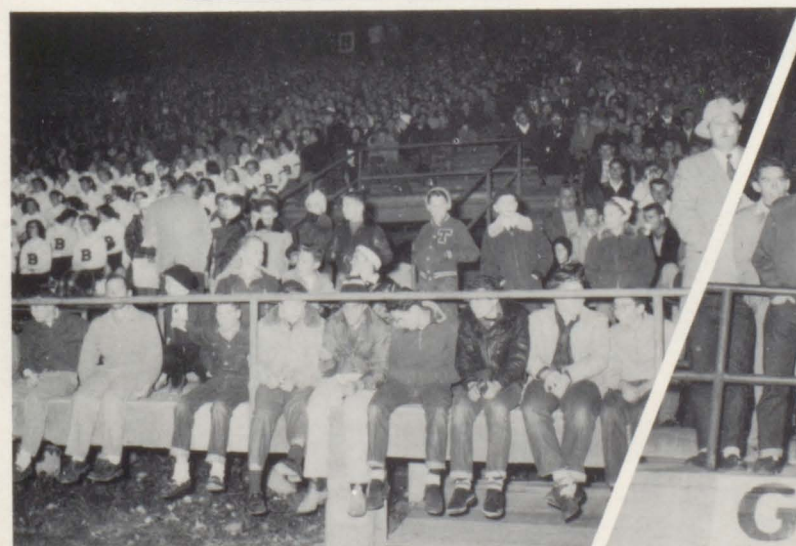

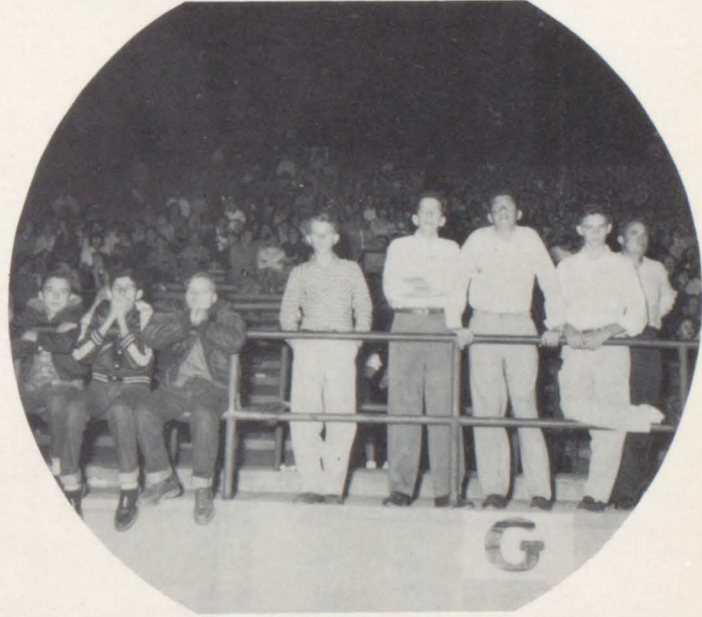

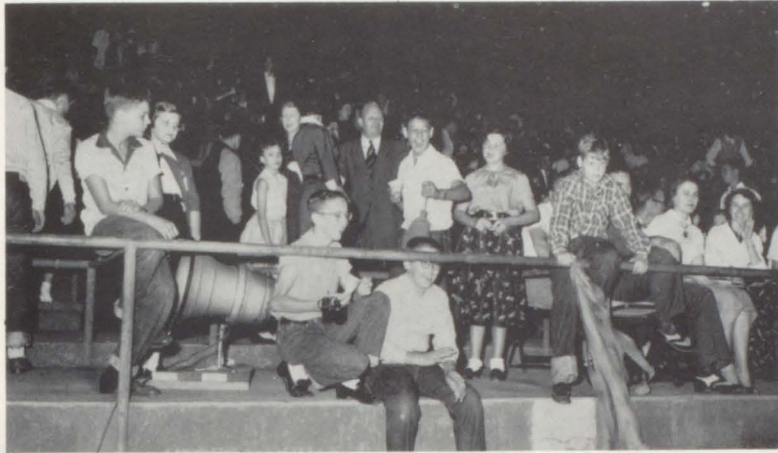

Above left: There is seldom a time during the year when both assemblies combine and go as one but Christmas is a very special time. Were you There??

Above right: The Byrd High School Band gives a minstrel each year. This year is was as big a success as ever. Did you enjoy it??

...THERE?

Pictured below are some of the football games . . . See if you can find yourself in them . . . Were you a loyal citizen of the City of Byrd???

Jerry Warren, Janna White, Kay Savony, Jimmie Hampson, Dick Sanders, Anita Titone, and Patty Clark discuss problems connected with advertising.

ADVERTISING

Byrd High School's favorite photographer, Milburne, takes Richard Pyburn's picture.

Alton Parker, Beverly Yearwood and Dick Sanders admire the diploma frames which are a specialty at Parker's Hardware.

Insurance Advisors and Adjustors

This is an add and not a subtract,
Its adding to your knowledge another fact,
I took a trip to Europe with a good old Scout,
Didn't know the lingo but thought he'd help
me out,
But after leaving England he couldn't speak
a word,
The gentleman referred to is the boss around
Byrd.

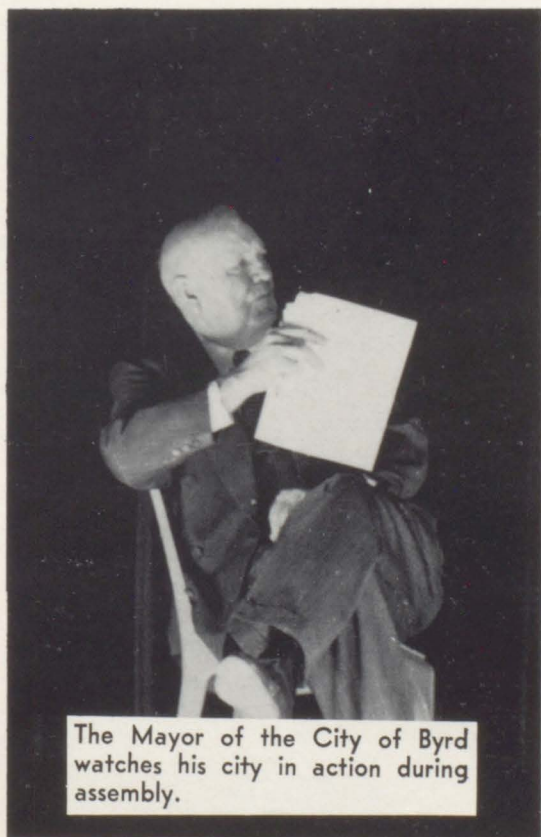

You will soon forget this little sonnet
But don't forget who-don-it, and remember

Through his many years of untiring service, Mr. Koffman has brought up two generations. Shown here are Mrs. Thelma Trusty, Mr. G. Randall Whitmeyer, Mrs. Ottamease Morrison, and Mr. Joe Zaffater whom he considers as his children and Linda Trusty, sophomore; Claudius Whitmeyer, junior; Juanita Morrison, senior; and Joe Zaffater, freshman; whom he considers as his grandchildren. These people are only a few representatives of his many children and grandchildren.

School will soon be out again and all students will be looking forward to the summer vacation. Many in our midst will walk down the steps for the last time. Some are looking forward to it; others regret leaving the City of Byrd, but for the most part they will be prepared to face the future with confidence.

Our great school represents one of the finest institutions of learning in the nation. If an effort is put forth throughout the years spent here, you can be assured that you will be ready to face the world.

If you are one of the many leaving the building for the last time, be thankful, for you are a very fortunate person to have been a part of Byrd High School. As you go out the door, down the steps, and on the sidewalk, look back and up at the silent majesty of this building. Give it a smile and a "*Thank You*" before you go on your way.
